Company Performance and Highlights

- During fiscal year 2024, we returned \$691.7 million to stockholders in the form of:
 - \$253.4 million in quarterly dividends — three regular dividends of \$0.47 per share and one regular dividend of \$0.51 per share; and
 - \$415.0 million through the repurchase of 3.5 million shares of Class A common stock (which includes 3.2 million of open market share repurchases, as well as 0.3 million shares to cover the minimum statutory withholding taxes on restricted stock units that vested on various dates during the period).
- The Board increased the quarterly dividend 9% for performance in the third quarter of fiscal year 2024, payable in the fourth quarter of fiscal year 2024.
- During fiscal year 2024, our stock price increased by approximately 60%, with a total stockholder return of approximately 63%.

Our Board of Directors

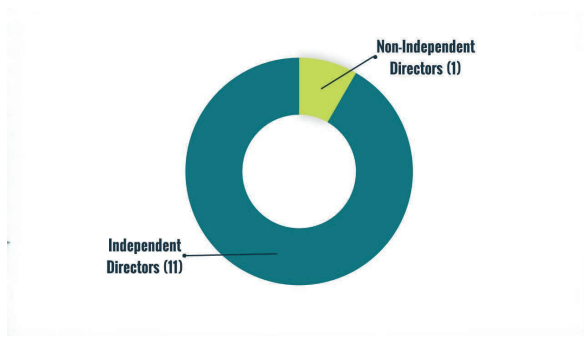

Each of our directors is elected by our stockholders on an annual basis to serve until the next annual meeting and until their respective successors are elected. Each of our current directors, with the exception of Dr. Shrader, has been nominated for election to the Board, and you can find additional information regarding our Board nominees under "Proposal 1: Election of Directors" beginning on page 8. Dr. Shrader has notified the Board of his intention to not stand for re-election at the Annual Meeting. Dr. Shrader's decision to not stand for re-election was not the result of any disagreement with the Company relating to any of our operations, policies, or practices.

Corporate Governance Highlights

- Eleven of our twelve current directors are independent, and the Audit, Compensation, Culture and People, and Nominating and Corporate Governance Committees are 100% independent.
- We provide for a majority voting standard in our bylaws for the election of directors in uncontested elections, with the requirement that any incumbent director nominee who does not receive a majority of the votes validly cast in an uncontested election tender his or her resignation, subject to acceptance by the Board of Directors.
- We have a diverse Board of Directors in terms of gender, ethnicity, experience, tenure, and skills, and 58% of our Board of Directors is gender and/or racially diverse.
- Annual election of all of our directors.
- Our Board of Directors and senior leadership exercise oversight in respect of Environmental, Social, and Governance ("ESG") matters, as further described on page 6, and cybersecurity matters.
- Our directors attended 95% of the total aggregate number of Board of Directors and committee meetings in fiscal year 2024.
- The Board of Directors holds regular executive sessions of non-management directors.
- The Board of Directors conducts an annual discussion on management succession planning, with support provided by the Compensation, Culture and People Committee.
- We prohibit short sales and derivative transactions in our equity, and hedging and pledging of our stock.
- Our equity awards include a provision for the recoupment of equity-based compensation in the event of misconduct leading to a financial restatement.
- Our Investor Relations team and management regularly engage with current and potential stockholders.
- We do not have a poison pill in place.
- We adhere to robust executive officer and director stock ownership guidelines.
- We conduct annual Board and committee evaluations and self-assessments.
- We adhere to a sound policy on public company board service to ensure a director's ability to devote necessary time to serve on our Board.
- Stockholders who hold at least 25% of the outstanding shares of common stock of the Company have the right to request that the Company call a special meeting of stockholders, subject to the requirements and procedures set forth in our bylaws.

Executive Compensation Highlights

- We utilize a compensation model that fosters a culture of collaboration and long-term ownership mindset that encourages our executives to think and act in the best interests of the Company. The spirit of collective ingenuity is paramount to our success and underscores our commitment to inclusion, collaboration, and service.
- We are a values-driven organization with a guiding purpose to empower people to change the world. Our executives are committed to bold thinking, holding themselves and those around them accountable to act with integrity, and realizing positive change in all the work we do. Our executive compensation program is intrinsically tied to our purpose and values. We believe our executives are motivated to act in the best interests of the Company with an emphasis on problem solving, passionate service, and collective ingenuity across markets, clients, and opportunities.
- Together with our Compensation, Culture and People Committee, we are committed to designing a compensation program that aligns the interests of our executives with the long-term interests of our stockholders. This is achieved in part through an executive rewards package that includes a long-term performance based component where a portion of executives' compensation is tied to the achievement of multi-year performance goals. For more details on our compensation program, please see our discussion in the CD&A beginning with the Executive Summary on page 31.

Environmental, Social, and Governance Discussion and Highlights

Our ESG objectives align with and support our business growth strategy. Our intentional and data-driven approach to sustainable business practices increases our business performance, is aligned with our strong value proposition, promotes sustainability, and assists in attracting and retaining the highest caliber employees.

Governance Structure

We integrate ESG principles into our business operations, guided by our corporate values and purpose to “empower people to change the world.” Our ESG initiatives are driven by a global strategy, as developed and directed by the following:

- *Board of Directors:* Our Board of Directors, through the authority of the Nominating and Corporate Governance Committee, provides oversight of and engages with management on our ESG strategy, including our approach to ESG-related risks, opportunities, disclosure, operations, and management. Additionally, our Compensation, Culture and People Committee provides oversight of programmatic matters related to human capital management and culture.
- *ESG Committee:* The executive management-level ESG Committee operates with the Board of Directors’ authority to execute ESG matters. Chaired by our Chief Legal Officer and comprised of senior executives, the ESG Committee uses its deep knowledge of our business, business strategies, and ESG priorities, goals, and strategies to champion our ongoing commitment to our strategy and integration of ESG principles into our business strategy, facilitated by the ESG Function of our Office of the Corporate Secretary (the “ESG Function”), as described below.
- *ESG Council:* The management-level ESG Council, under the direction of the ESG Committee, leverages the collective ingenuity of key functional and business leaders across the Company, each holding operational or policy-level responsibility for an area of our performance or practices that relates to our ESG priorities. The ESG Council seeks to achieve a consistent and collaborative Company approach to our ESG priorities both through the Council's day-to-day work and cross-functional initiatives.
- *ESG Function:* The ESG Function drives our global ESG strategy and supports our Board of Directors, ESG Committee, and ESG Council by providing relevant information and data-driven guidance for strategic decision-making, enhancing transparency through internal accountability and external reporting channels, advocating for integration of ESG principles into business strategy, and coordinating and evolving the integration of ESG initiatives into our business operations to reflect business, regulatory, and market imperatives.

ESG Impact Pillars and ESG Reporting

- Our strategy coalesces around three ESG Impact Pillars to express and drive value creation and our ESG impact management—where we plan to prioritize future efforts, commitments, and measurement. We have identified these ESG Impact Pillars to be of particular relevance to our employees, potential talent, clients, regulators, suppliers, investors, and communities in which we conduct business, with the goal of supporting our vision of creating a more secure, resilient, and equitable future for all.
- Our ESG Impact Pillars are:
 - Empower Diverse Talent: We work to ensure that all people have access to opportunities and the agency and support to achieve their goals.
 - Make Innovation Accessible to All: We champion innovation that reaches, reflects, and benefits our diverse society.
 - Drive Community Resilience: We strive to protect against evolving threats and known inequities in our communities.
- Our ESG Impact Pillars provide an organizing principle for the more granular ESG topics that we expect to be drivers of long-term positive ESG impact across our value chain and help manage enterprise risk. We explore our management and performance of specific aspects of these ESG Impact Pillars in our 2023 ESG Report, which is available on our website, www.boozallen.com. Topics that are priorities for our 2023 ESG Report are not necessarily material for purposes of the U.S. federal securities laws or for other purposes.
- We plan to release our 2024 ESG Report later this calendar year. Our 2023 ESG Report was prepared with reference to the Global Reporting Initiative’s (GRI) Sustainability Reporting Standards, and includes indices from the following

reporting frameworks and standards: the Sustainability Accounting Standards Board (SASB) standard for our industry, the Task Force on Climate-related Financial Disclosures' (TCFD) recommendations, the World Economic Forum Core Stakeholder Capitalism Metrics, and the United Nations Guiding Principles Reporting Framework. Our ESG initiatives evolve with our business and operations. We monitor regulations and markets for relevant guidelines and reporting frameworks useful to our Company and industry.

- As reported in our 2023 ESG Report, we committed in 2021 to a long-term target of net-zero greenhouse gas emissions by no later than 2050. After rigorous evaluation and assessment, the Science Based Targets initiative (SBTi) has approved our near- and long-term science-based emissions reduction targets. The SBTi has verified our net-zero science-based targets by 2050. The targets covering greenhouse gas emissions from operations (scope 1, 2, and 3) are in line with reductions required to keep warming to no more than 1.5°C, the most ambitious goal of the Paris Agreement and aligned with the latest climate science on prevention of the most damaging effects of climate change.
- Our Business Continuity Office manages an ISO 22301: Business Continuity Management System focused on protecting and recovering the business operations of Booz Allen and our clients.

ESG Awards

For detail regarding our fiscal year 2023 ESG performance, please see our 2023 ESG Report, which is available on our website. Our fiscal year 2024 ESG performance will be detailed in our 2024 ESG Report, which will be available later this calendar year.

PROPOSAL 1: ELECTION OF DIRECTORS

Election of Directors

Each of our current directors, with the exception of Dr. Shrader, has been nominated for election to the Board for a one-year term, expiring at the 2025 Annual Meeting of Stockholders and until their successors are duly elected and qualified. To be elected in an uncontested election, a nominee must receive a majority of the votes validly cast with respect to that nominee's election at the annual meeting represented either in person or by proxy at the annual meeting. To be elected in a contested election, a nominee must receive the vote of a plurality of the votes validly cast at the annual meeting represented either in person or by proxy at the annual meeting. Any nominee who is an incumbent director and does not receive a majority of the votes cast in an uncontested election must promptly tender his or her resignation, contingent on the acceptance of that resignation by the Board, to the chair of the Board following certification of the election results.

Board Skills Matrix

The Nominating and Corporate Governance Committee and the Board believe that each director nominee brings a strong and diverse set of skills and experiences to the Company, as reflected in the board skills matrix below, including significant government, public company, financial, and strategic experience, that will strengthen our Board's independent leadership and effectiveness with respect to our business and long-term strategy.

CORPORATE GOVERNANCE AND GENERAL INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

Our Board of Directors

The Board is responsible for providing governance and oversight over the strategy, risk, operations, and management of the Company. The primary focus of the Board is promoting stockholder value by fostering the long-term success of the Company. The Board is responsible for supporting and overseeing management, to which the Board has delegated the responsibility to manage the day-to-day strategy and operations of the Company.

The Board generally holds four regular meetings per year, and special meetings as necessary. The Board meets in executive session during each regular meeting; non-management directors also typically meet in executive sessions during each regular meeting. Consistent with the Company's Corporate Governance Guidelines, Mark E. Gaumond was appointed by the non-management directors to serve as the Lead Independent Director, effective as of the 2024 Annual Meeting of Stockholders. The Lead Independent Director's responsibilities include:

- presiding over executive sessions of the non-management directors and presiding, if the Chair is absent, at Board meetings;
- collaborating with the Chair to set meeting agendas and the annual schedule of meetings;
- providing input to the Chair on the quantity, quality and timeliness of information provided to the board;
- calling and chairing meetings of the independent directors and apprising the Chair of the issues considered;
- serving as the liaison between the independent directors and the Chair and Chief Executive Officer; and
- collaborating with the Audit, Compensation, Culture and People, and Nominating and Corporate Governance Committees on the performance and structure of the Board and its committees, including the performance of individual directors.

At least annually, independent directors also meet in executive session during a regular Board meeting.

The Board and its committees establish annual calendars of activities to guide the development of their agendas during the year. All directors are invited to propose agenda topics when the annual calendars are established, as well as in advance of each regular Board meeting. In addition, directors are encouraged to raise topics that are not on a meeting agenda or suggest topics for future agendas. Each director is provided written materials in advance of each meeting, and the Board and its committees provide feedback to, and make requests of, management at each of their meetings.

Corporate Governance Guidelines

As noted above, the Board has adopted Corporate Governance Guidelines. The Board and the Nominating and Corporate Governance Committee are responsible for reviewing and amending these guidelines as they deem necessary and appropriate. The Nominating and Corporate Governance Committee is responsible for overseeing the system of corporate governance of the Company. The Corporate Governance Guidelines are available without charge on the Investor Relations portion of our website, www.boozallen.com.

Codes of Conduct and Ethics

Our website also includes the Company's Code of Business Ethics and Conduct, which is applicable to our directors and all employees, and the Company's Code of Ethics for Senior Financial Officers, which is applicable to the Company's Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller, and any other persons performing similar functions. Each such code was adopted by the Board and may be accessed without charge on the Investor Relations portion of our website, www.boozallen.com. We will disclose on the Investor Relations portion of our website any amendments to the Code of Business Ethics and Conduct or Code of Ethics for Senior Financial Officers and any waiver granted to an executive officer or director under these codes. In fiscal year 2024, no such waivers were sought or granted. The information found on the Company's website is not part of this proxy statement nor is it incorporated into any other filings the Company makes with the Securities and Exchange Commission (the "SEC").

Board Meetings and Attendance

Directors are expected to attend each Board meeting, each meeting of the committees on which they serve, and the Annual Meeting of Stockholders. During fiscal year 2024, the Board held six meetings and acted by written consent. Each of our incumbent directors who served as a director during fiscal year 2024, except Mr. Johnson, attended at least 75 percent of the aggregate total number of Board and committee meetings to which they were assigned, and overall attendance was 95 percent. All directors who served at the time of our 2023 Annual Meeting of Stockholders attended that meeting.

Board Leadership Structure

As noted in our Corporate Governance Guidelines, the Board has no policy with respect to the separation of the offices of Chair and Chief Executive Officer. The Board believes that it is important to retain its flexibility to allocate the responsibilities of the offices of the Chair and Chief Executive Officer in any way that is in the best interests of the Company at a given point in time. If the individual elected as Chair is not an independent director, our Corporate Governance Guidelines provide that a lead independent director will be elected annually by a majority of the independent directors upon recommendation of the Nominating and Corporate Governance Committee of the Board. Dr. Shrader has notified the Board of his intention to not stand for re-election at the Annual Meeting. The Board has concluded that it is currently in the best interest of the stockholders for Mr. Rozanski, President and Chief Executive Officer, to assume the position of Chair following the 2024 Annual Meeting of Stockholders. The Board believes that the unified Chair and Chief Executive Officer roles, combined with the robust authority given to the Lead Independent Director, effectively represents the interests of stockholders and enables the Board to discharge appropriate levels of independence, oversight and responsibility to serve the Company. The Board exercises strong, independent oversight through frequent executive sessions, wholly independent Board committees and a tenured Lead Independent Director with clearly delineated and comprehensive duties. Further, the Board believes, given the Company's unique culture and business model, a Chair that is intimately connected to the firm is essential, particularly as the Company and the industry are undergoing rapid transformation. In his role as Chair, President and Chief Executive Officer, Mr. Rozanski will leverage his three decades of experience with the Company with a focus on continuing to build stockholder value, managing risk, and supporting the Company's executive management.

Succession Planning and Talent Reviews

The Board believes that executive management succession planning is one of its most important responsibilities. Accordingly, the Board regularly undertakes executive management succession planning and talent reviews, with support provided by the Compensation, Culture and People Committee. On an annual basis, the Chair leads the Board in an in-depth discussion concerning Chief Executive Officer succession and the Chief Executive Officer leads the Board in a discussion concerning senior management succession. Chief Executive Officer succession is also discussed by the Board in an executive session outside the presence of any management directors. Management also updates the Board on key talent indicators, such as recruiting and retention for the overall employee population, throughout the year.

Risk Oversight

Our Board and its committees oversee the Company's risk management processes, including but not limited to those relevant to cybersecurity risks, and are regularly briefed by management on risk management considerations. One of the primary tools that facilitates the Board's oversight and mitigation of risk is the Company's Enterprise Risk Management ("ERM") Program, which is designed to look holistically at risks which may cause a material, adverse impact to the Company's operations, reputation, or value. As part of the ERM Program, our Chief Operating Officer directs and chairs the ERM Steering Committee, which is comprised of members of senior management, including our Chief Financial Officer, General Counsel, Chief Information Officer, Chief Information Security Officer, Chief Administrative Officer, and Chief Ethics and Compliance Officer, to:

- Annually review and approve the ERM Program, which provides the criteria and structure for how top enterprise risks are prioritized and categorized;
- Annually review and approve the ERM Risk Profile, which the ERM Program develops to identify and prioritize the top enterprise risks;
- Discuss and evaluate the Company's risk appetite for different types of risk (including those related to strategy, reputation and brand, operations, finances, and compliance with policies and laws); and
- Assign risk owners and sponsors to top priority risks to develop action plans to mitigate and monitor the risks.

Under the ERM Program, our Chief Operating Officer prepares for the Board a quarterly update of our enterprise risks, including enterprise cybersecurity risks, and conducts with the Board an annual risk identification and mitigation analysis.

In addition to updates provided through the ERM Program, the Board is regularly updated by members of management, including the Chief Financial Officer, Chief Accounting Officer, Chief Legal Officer, Chief Operating Officer, Chief Administrative Officer, Chief Information Officer and Chief Information Security Officer, concerning significant risks facing the Company and processes that have been implemented to mitigate these risks, including cybersecurity risks. Additionally, throughout the year, each of our sector presidents who leads one of our major market units provides a comprehensive overview of their market, including risks and challenges.

In addition to this dialogue between management and the entire Board, the Board's committees have more specific roles concerning elements of the Company's risk management processes.

- *Audit Committee:* The Audit Committee is regularly updated by the Chief Legal Officer, Chief Ethics and Compliance Officer, Director of Internal Audit, and Chief Information Officer, and receives regular reports concerning the status of the Company's ethics and compliance program, internal controls over financial reporting and other operational compliance areas, and significant communications from the Company's regulators. The Audit Committee also leads the Board's efforts with respect to the oversight of cybersecurity risk.
- *Compensation, Culture and People Committee:* The Compensation, Culture and People Committee is responsible for overseeing risks related to the Company's human capital management and executive compensation policies and practices.
- *Nominating and Corporate Governance Committee:* The Nominating and Corporate Governance Committee oversees risks arising from the Company's governance processes and practices related to ESG.

Annual Board Performance Assessment

The Board and each of the Audit, Compensation, Culture and People, and Nominating and Corporate Governance committees perform an annual assessment of their operations and effectiveness, and set goals for the future. The comments of the directors are compiled and presented, as applicable, to the Chair, the Lead Independent Director, the applicable committee Chair, and the full Board, with further discussion with the appropriate committee as needed. The key matters to be addressed are identified, and these matters become part of future agendas for the Board and its committees.

Board Independence

Eleven of our twelve current directors are independent under our Corporate Governance Guidelines and applicable New York Stock Exchange ("NYSE") listing standards. For a director to be considered independent, the Board must determine, after consideration of all relevant facts and circumstances, that the director has no material relationship with the Company directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company. The independence criteria adopted by the Board are set forth in the Company's Corporate Governance Guidelines.

The Board has determined that Messrs. Gaumont, Johnson, Read, Rossotti, Shrader, and Thornberry, and Mses. Amble, Barnes, Flournoy, Jewett, and McClain are independent under the independence criteria for directors established by the NYSE and the independence criteria adopted by the Board. As a result, we currently have a majority of independent directors and satisfy the applicable rule of the NYSE. Mr. Rozanski is an employee of the Company and is not independent under the NYSE listing standards or our Corporate Governance Guidelines, which can be found in the Investor Relations portion of our website, www.boozallen.com.

Selection of Nominees for Election to the Board

The Nominating and Corporate Governance Committee recommends to the Board appropriate criteria for the selection of new directors based on the strategic needs of the Company and the Board, and periodically reviews the criteria adopted by the Board and, if deemed desirable, recommends to the Board changes to such criteria. The Board seeks members from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. The Nominating and Corporate Governance Committee defines diversity in an expansive manner to be reflective of the diversity of the Company and representative of its clients and other stakeholders, including, without limitation, race, ethnicity, gender, sexual orientation, age, disability, history of military service, geography, and areas of expertise and opinion. Accordingly, it is the policy of the Nominating and Corporate Governance Committee to include, and have any search firm that it engages include, diverse representation in the pool from which the Nominating and Corporate Governance Committee selects director candidates. Directors should have experience in positions with a high degree of responsibility, be, or have been, leaders in the companies or institutions with which they are, or were, affiliated, and be selected based upon the contributions they can make. Exceptional candidates who meet alternative criteria may also be considered.

Board Diversity

The diversity of the Board is reflected below for fiscal year 2024:

	Women	Hispanic or Latino	Black or African American
No. of Directors	5	1	2
% of Directors	42%	8%	17%

Board Tenure

We believe that Board tenure diversity is important and directors with many years of service provide the Board with a deep knowledge of our Company, while newer directors lend fresh perspectives. The chart below reflects the Board tenure of our directors, which on average is approximately 9 years.

Board Tenure is Diversified

Process for Stockholders to Recommend Director Nominees

Stockholders wishing to nominate a candidate for director must provide written notice, in care of the Secretary, to 8283 Greensboro Drive, McLean, Virginia 22102, not fewer than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. Our bylaws set forth the requirements for direct nomination of an individual by a stockholder for election to the Board.

There is no difference in the manner in which the Nominating and Corporate Governance Committee evaluates a nominee for director designated by our Chief Executive Officer or recommended by a stockholder.

Director Orientation and Continuing Education

New directors are provided a multi-phase orientation generally timed to coincide with our Board meetings as part of our effort to integrate them into their role as directors and familiarize them with the Company. Orientation sessions are led by members of management and are focused on various elements of our business strategy, client service offerings, internal business operations, and corporate governance, among other areas. During the course of the year, representatives of management brief the Board on topics designed to provide directors a deeper understanding of various aspects of our business, such as applicable legal developments, ethics and compliance programs, and the evolving regulatory environment. In addition, the Board holds an annual business strategy session with management. Directors are also encouraged to participate in continuing education programs to better understand and execute their duties and responsibilities.

Communications with the Board

Stockholders, or other interested third parties, who wish to contact our Board may send written correspondence, in care of the Secretary, to 8283 Greensboro Drive, McLean, Virginia 22102. Communications may be addressed to an individual director, to the non-management directors as a group, or to the Board as a whole, marked as confidential or otherwise. Communications not submitted confidentially, which are addressed to directors that discuss business or other matters relevant to the activities of our Board, will be preliminarily reviewed by the office of the Secretary and then distributed either in summary form or by delivering a copy of the communication. Communications marked as confidential will be distributed, without review by the office of the Secretary, to the director, or group of directors, to whom they are addressed. With respect to other correspondence received by the Company that is addressed to one or more directors, the Board has requested that the following items not be distributed to directors because they generally fall into the purview of management, rather than the Board: junk mail and mass mailings, service complaints and inquiries, résumés and other forms of job inquiries, solicitations for charitable donations, surveys, business solicitations, and advertisements.

Board Committees

Our Board has four standing committees: an Executive Committee, an Audit Committee, a Compensation, Culture and People Committee, and a Nominating and Corporate Governance Committee. The charter of each committee is available without charge on the Investor Relations portion of our website, www.boozallen.com.

The following chart identifies the current members and chair of each standing committee, as well as related information.

The following is a brief description of our committees.

The Executive Committee

Our Executive Committee is responsible, among its other duties and responsibilities, for assisting our Board in fulfilling its responsibilities. Our Executive Committee is responsible for approving certain extraordinary corporate actions. The current members of our Executive Committee are Dr. Shrader (Chair), Messrs. Gaumont and Rozanski, and Ms. McClain. The Executive Committee acted by written consent during fiscal year 2024. On May 21, 2024, Dr. Shrader notified the Board of his intention to not stand for re-election at the 2024 Annual Meeting of Stockholders and resigned from his position on the Executive Committee effective as of the Annual Meeting. Pursuant to the charter of the Executive Committee, Mr. Rozanski will assume the position of Chair of the Executive Committee following the 2024 Annual Meeting of Stockholders when he assumes the role of Chair of the Board.

The Audit Committee

Our Audit Committee is responsible, among its other duties and responsibilities, for overseeing our accounting and financial reporting processes, the audits of our financial statements, the qualifications and independence of our independent registered public accounting firm, the effectiveness of our internal control over financial reporting, and the performance of our internal audit function and independent registered public accounting firm. Our Audit Committee reviews and assesses the qualitative aspects of our financial reporting, our processes to manage business and financial risks, and our compliance with significant applicable legal, ethical, and regulatory requirements. Our Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of our independent registered public accounting firm.

The members of our Audit Committee are Messrs. Gaumont (Chair), Johnson, Read, and Rossotti, and Mses. Amble and Jewett, each of whom is an independent director as required by NYSE listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board has determined that each member of our Audit Committee is financially literate and that Messrs. Gaumont and Rossotti and Mses. Amble and Jewett are each an "audit

committee financial expert” as such term is defined under Item 407(d)(5) of Regulation S-K promulgated under the Securities Act of 1933, as amended (the "Securities Act").

The Audit Committee met four times during fiscal year 2024.

The Compensation, Culture and People Committee

Our Compensation, Culture and People Committee is responsible, among its other duties and responsibilities, for reviewing and approving all forms of compensation to be provided to the executives and directors of our Company and its subsidiaries (including the Chief Executive Officer), establishing and reviewing the general compensation philosophy of our Company and its subsidiaries, reviewing, approving, and overseeing the administration of the employee benefits plans of our Company and its subsidiaries, assisting the Board in overseeing succession planning of the Chief Executive Officer and key management positions, and overseeing programmatic matters relating to human capital management and culture, including relating to diversity, equity, and inclusion.

The current members of our Compensation, Culture and People Committee are Mses. Barnes, Flournoy, and McClain (Chair) and Mr. Thornberry, each of whom is an independent director as required by NYSE listing standards. The Compensation, Culture and People Committee charter, a copy of which is available on our website, www.boozallen.com, requires that all members of the Compensation, Culture and People Committee must satisfy the requirements of “non-employee director” for purposes of Rule 16b-3 under the Exchange Act. Each of the members of the Compensation, Culture and People Committee currently satisfies these requirements.

The Compensation, Culture and People Committee has the authority to delegate any of its responsibilities to subcommittees as the Compensation, Culture and People Committee may deem appropriate, provided that the subcommittees are composed entirely of directors satisfying the independence standards then applicable to the Compensation, Culture and People Committee generally.

The Compensation, Culture and People Committee has not engaged a compensation consultant; however, the Compensation, Culture and People Committee is briefed by management, which consults with Korn Ferry. The Company engaged Korn Ferry to provide market assessments and recommendations on the Company’s director compensation and assist management with compensation decisions regarding our named executive officers, including performing a comprehensive review of the peer companies used for evaluating our named executive officers' compensation, advising on our executive compensation philosophy, strategy, and framework, and other matters related to the Company’s short-term and long-term performance plans, as well as providing insight related to the Company’s compensation disclosure in the proxy statement. In addition, Korn Ferry provided other consulting services to the Company, including advising the Company in connection with the 2023 Equity Incentive Plan, certain regulatory changes and participating in our compensation risk assessment. The aggregate fees paid to Korn Ferry for fiscal year 2024 were \$391,196, of which \$271,196 were related to executive compensation services. The Compensation, Culture and People Committee assessed the independence of Korn Ferry and concluded that Korn Ferry's work for the Company did not raise any conflicts of interest.

Each of the members of our Leadership Team participates in the discussion and consideration of compensation to be awarded to the executives in their reporting chain. Our Leadership Team does not participate in the discussions or provide any recommendations to the Compensation, Culture and People Committee regarding their own compensation. See “Compensation Discussion and Analysis—Setting Executive Compensation and Peer Group.”

The Compensation, Culture and People Committee met five times during fiscal year 2024.

The Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for, among its other duties and responsibilities, identifying and recommending candidates to the Board for election to our Board (including candidates proposed by stockholders), reviewing the composition of the Board and its committees, developing and recommending to the Board corporate governance guidelines, overseeing Board and Board committee evaluations, and overseeing practices related to corporate governance, corporate citizenship, and ESG matters.

The current members of our Nominating and Corporate Governance Committee are Mses. Barnes, Flournoy (Chair) and McClain and Mr. Thornberry, each of whom is an independent director as required by NYSE listing standards.

The Nominating and Corporate Governance Committee met four times during fiscal year 2024.

Director Compensation

Directors who are employed by us do not receive any additional compensation for their services as directors. For non-employee directors, on an annual basis, the Chief People Officer, with the assistance of Korn Ferry, performs a comprehensive review of director compensation and makes recommendations to the Compensation, Culture and People Committee regarding proposed changes. In July 2023, the Compensation, Culture and People Committee reviewed director compensation data for the peer group used for benchmarking executive compensation and the general market. Based on that review, the Compensation, Culture and People Committee made no changes to compensation levels for directors for their service from August 2023 to July 2024.

Director compensation included the following:

Component	Annual Amount
Annual Board Chair Retainer	\$320,000
Annual Board Retainer (non-Chair)	\$120,000
Annual Equity Award	\$200,000
Audit Committee Chair Additional Retainer	\$30,000
Compensation, Culture and People Committee Chair Additional Retainer	\$20,000
Nominating and Corporate Governance Committee Chair Additional Retainer	\$15,000

The annual equity awards are granted in the form of restricted stock under our Equity Incentive Plan, as amended and restated from time (the "Equity Incentive Plan"). Generally these grants occur in August following our annual meeting of stockholders and half of the annual award vests on January 31 of the following year, and the other half vests on July 31 following the first vesting date. In fiscal year 2024, the equity grants were made under our 2023 Equity Incentive Plan, which was approved by our stockholders in July 2023 and governs equity awards made after its effective date. The annual retainer and any additional payments for service as a chair are generally paid in cash, unless a director elects to receive all or a portion of such payments in the form of restricted stock. Our directors do not receive additional fees for attending Board or committee meetings.

The following table shows the compensation earned by or paid to our non-employee directors in fiscal year 2024:

(1) This column represents the grant date fair value of the stock awards granted to our directors in fiscal year 2024. Where the stock awards were the result of voluntary elections to receive cash retainers in stock, the value reflected in this column represents only the excess of the fair market value of the stock awards over the cash retainer amount paid if in the form of stock. The aggregate fair value of the awards was computed in accordance with FASB ASC Topic 718 using the valuation methodology and assumptions set forth in Note 18 to our financial statements for the fiscal year ended March 31, 2024, which are incorporated by reference herein, modified to exclude any forfeiture assumptions related to service-based vesting conditions. The amounts in this column do not reflect the value, if any, that ultimately may be realized by the director.

Director Ownership Guidelines

Equity ownership guidelines for all of our non-employee directors are in place to further align their interests to those of our stockholders. Each of our non-employee directors has five years from the date of commencement of his/her service on the Board to achieve equity ownership with a value equivalent to five times his/her annual retainer. In calculating a director's ownership, Class A common stock, vested in-the-money options, and vested and unvested restricted stock issued under the Equity Incentive Plan will be considered owned by the non-employee director. Each of our directors who has served on the Board for five years or more has regularly exceeded and currently exceeds the equity ownership guidelines. For a description of the guidelines applicable to executive officers, see our CD&A beginning on page 30.

Insider Trading Policy and Policy on Hedging, Short Sales, and Speculative Transactions

The Company has an Insider Trading Policy, which governs the purchase, sale and other dispositions of its securities by our employees, officers, directors, subsidiaries, and affiliates of the Company, as well as their immediate family members and other persons living in their households. The Insider Trading Policy is reasonably designed to promote compliance with insider trading laws, rules and regulations and any listing standards applicable to the Company.

Under the Company's Insider Trading Policy, the Company's personnel are prohibited from directly or indirectly buying, selling or gifting securities of the Company while in possession of material non-public information concerning the Company or its securities, except in the limited circumstances described in the policy. Additionally, the Company's personnel are prohibited from engaging in (i) short sales of securities of the Company, (ii) transactions in puts, calls, or other derivative securities with respect to securities of the Company, (iii) hedging transactions with respect to securities of the Company, (iv) holding securities of the Company in a margin account, and (v) pledging securities of the Company as collateral for a loan.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The following individuals served on our Compensation, Culture and People Committee during fiscal year 2024: Mses. Barnes, Flournoy, and McClain. No member of our Compensation, Culture and People Committee currently is, or has been, an officer or employee of the Company. During fiscal year 2024, none of our executive officers served as a member of the Board or compensation committee (or other board committee performing equivalent functions) of any other entity that has one or more of its executive officers serving as a member of our Board or Compensation, Culture and People Committee.

SECURITY OWNERSHIP INFORMATION

Security Ownership of Directors and Executive Officers

The following table indicates information as of May 17, 2024 regarding the beneficial ownership of our Class A common stock by each of our directors, each of the named executive officers, and all of our directors and executive officers as a group.

The percentages shown are based on 129,320,488 shares of Class A common stock outstanding as of May 17, 2024. Class A common stock is entitled to one vote per share on all matters voted on by our stockholders.

The amounts and percentages owned are reported on the basis of the SEC's rules governing the determination of beneficial ownership of securities. The SEC's rules generally attribute beneficial ownership of securities to each person who possesses, either solely or shared with others, the voting power or investment power, which includes the power to dispose of those securities. The rules also treat as outstanding all shares of capital stock that a person would receive upon exercise of stock options or warrants held by that person that are immediately exercisable or exercisable within 60 days. These shares are deemed to be outstanding and to be beneficially owned by the person holding those options for the purpose of computing the number of shares beneficially owned and the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Under these rules, one or more persons may be a deemed beneficial owner of the same securities and a person may be deemed a beneficial owner of securities to which such person has no economic interest. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Person Transactions

We adopted a written related person transactions policy pursuant to which related persons, namely our executive officers, directors, and principal stockholders, and their immediate family members, are not permitted to enter into certain transactions, or materially modify or amend an ongoing transaction, with us, in which the amount involved exceeds \$120,000, without the consent of our Audit Committee or any other body of the Board of Directors comprised solely of independent directors. Any request for us to enter into or materially modify or amend certain such transactions is required to be presented to our Audit Committee for review, consideration, and approval. All of our directors and executive officers are required to report to our Secretary any such proposed related person transaction, who is required to provide notice of such proposed related person transaction to the Audit Committee. In approving or rejecting the proposed transaction, our Audit Committee will take into account, among other factors it deems appropriate, whether the proposed related person transaction is on terms at least as favorable as terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the related person's interest in the transaction and, if applicable, the impact on a director's independence. Under the policy, if we should discover related person transactions that have not been approved, our Audit Committee will be notified and will determine the appropriate action, including ratification, rescission, or amendment of the transaction.

Related Person Transactions

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers pursuant to which we have agreed to indemnify such individuals against certain liabilities arising out of service as a director or officer of the Company and its subsidiaries. The indemnification agreements provide our directors and executive officers with contractual rights to the indemnification and expense advancement rights provided under our bylaws, as well as contractual rights to additional indemnification as provided in the indemnification agreements.

Executive Summary

Company Performance and Highlights

Delivering Significant Returns to Stockholders

In fiscal year 2024, our staff and leaders led the Company to deliver record performance for fiscal year revenue and earnings, increased headcount by approximately seven percent, and generated solid backlog growth. This strong performance has resulted in significant returns to our stockholders through appreciation in our stock price, the payment of regular dividends, and share repurchases.

- Our stock price increased by approximately 60% and total stockholder return was approximately 63% during fiscal year 2024.
- During fiscal year 2024, we declared and paid \$253.4 million in recurring dividends to stockholders—three regular dividends of \$0.47 per share and one regular dividend of \$0.51 per share.
- We allocated \$23.3 million to strategic investments.
- The Board increased the quarterly dividend by 9% for performance in the third quarter of fiscal year 2024, payable in the fourth quarter of fiscal year 2024. The total dividends paid in fiscal year 2024 grew 8% compared to fiscal year 2023.
- We expect to declare and pay regular quarterly cash dividends in the future. However, the actual declaration of any such future dividends and the establishment of the per share amounts, record dates, and payment dates are subject to the discretion of the Board, which will take into consideration future earnings, cash flows, financial requirements, and other factors.
- During fiscal year 2024, we repurchased 3.5 million shares for \$415.0 million (which includes 3.2 million of open market share repurchases as well as 0.3 million shares to cover the minimum statutory withholding taxes on restricted stock units that vested on various dates during the period).
- On May 22, 2024, the Board of Directors approved an additional increase to our share repurchase authorization of \$525.0 million, for a total capacity of \$3,085.0 million under the share repurchase program. As of March 31, 2024, the Company had approximately \$483.2 million of unused capacity to repurchase shares of common stock under the share repurchase program.

Fiscal Year 2024 Company Performance

- Fiscal year 2024 marked the ninth consecutive year of top-line revenue growth.

- Net income increased 123.3% to \$605.7 million.
- Adjusted EBITDA increased 15.9% to \$1,175.1 million.
- Diluted EPS increased 126.1% to \$4.59.
- Adjusted Diluted EPS increased 20.6% to \$5.50.
- Total backlog increased 8.4% to \$33.8 billion.
- Net cash provided by operating activities decreased 57.1% to \$258.8 million.
- Free cash flow decreased 63.5% to \$192.1 million in fiscal year 2024.

Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted Diluted Earnings Per Share, and Free Cash Flow may differ from similarly titled measures presented by other companies in our industry and are not recognized measures under U.S. Generally Accepted Accounting Principles, or GAAP. A reconciliation between these non-GAAP financial measures and the most directly comparable financial measure calculated and presented in accordance with GAAP can be found in Appendix A to this proxy statement.

Compensation Philosophy

We are a values-driven organization where our partnership culture motivates our executives, who we define as our named executive officers, Executive Vice Presidents, and Senior Vice Presidents, to consistently act in the best interests of the Company. Our executive compensation program is intrinsically tied to our purpose and values.

Setting Executive Compensation and Peer Group

We evaluate our named executive officers' compensation relative to the compensation of publicly traded peer companies that are similar in size, industry, and operations. The Compensation, Culture and People Committee reviews the peer group regularly and adjusts as necessary due to changes at a peer company's operations or changes in comparability (e.g., due to bankruptcy or mergers and acquisitions) to the Company. The peer group is used by the Compensation, Culture and People Committee as a point of reference in determining pay within a competitive range without targeting a specific benchmark when making executive pay decisions.

For setting fiscal year 2024 executive compensation, the Compensation, Culture and People Committee requested that our outside compensation consultant, Korn Ferry, perform a comprehensive review of the peer companies used for evaluating our named executive officers' compensation. Korn Ferry evaluated companies that are similar in size, industry, and operations, using specific review criteria, as described below:

- *Company size:* Organizations with revenues approximately 0.33x to 3.00x of our revenue, with peer median revenue approximating Company revenue, and with flexibility outside of this range to accommodate organizations that are a good match from a business perspective.
- *Industry:* Government services organizations in information technology consulting and other services industries, such as cyber, data processing and outsourced services, and the aerospace and defense industries, as well as other comparable organizations that our Investor Relations department tracks and/or that benchmark to our Company.

As a result of this review, the Compensation, Culture and People Committee approved the peer group set forth below for benchmarking and setting compensation of our named executive officers for fiscal year 2024.

Fiscal Year 2024 Peer Group	
- Akamai Technologies, Inc. (AKAM)	- FTI Consulting, Inc. (FCN)
- CACI International, Inc. (CACI)	- Jacobs Engineering (J)
- CGI Group, Inc. (GIB)	- KBR Inc. (KBR)
- Cognizant Technology Solutions (CTSH)	- L3Harris Technologies, Inc. (LHX)
- Conduent Incorporated (CNDT)	- Leidos Holdings, Inc. (LDOS)
- DXC Technology (DXC)	- Maximus, Inc. (MMS)
- EPAM Systems, Inc. (EPAM)	- Parsons Corporation (PSN)
- FISERV, Inc. (FI)	- Science Applications International Corporation (SAIC)

The Compensation, Culture and People Committee established fiscal year 2024 target compensation for the named executive officers by taking into consideration the peer group benchmarking analysis and input from Korn Ferry, along with feedback from the CEO (in the case of named executive officers who are direct reports to the CEO), and the Committee's collective judgment and discretion. The target executive compensation includes the fiscal year salary amount, target short-term annual cash incentive, and long-term equity incentive. Additional information on each of these items can be found below under "Compensation Elements."

The Compensation, Culture and People Committee considers peer group benchmarking and other market compensation data as critical inputs but not the sole factors in the overall assessment of competitiveness of our executive compensation. The Compensation, Culture and People Committee also considers other components such as performance, contributions, internal equity, and experience of each named executive officer in determining target and actual compensation amounts.

In fiscal year 2024, Korn Ferry was also engaged to:

- Review and provide advice on our Compensation Discussion and Analysis;
- Provide insight into regulatory changes including our adoption of an updated "clawback" policy in light of the SEC's final rules on the recovery of erroneously awarded compensation and the NYSE's listing standards;
- Provide insight into the 2023 Equity Incentive Plan and associated share pool which was subsequently approved by stockholders in July 2023;
- Participate in the compensation risk assessment;
- Perform benchmarking and analysis of our Board of Directors' compensation; and
- Provide general market intelligence for setting short-term and long-term performance metrics and associated goals in the Annual Incentive Plan and the Equity Incentive Plan.

Compensation Elements

The primary components of our executive compensation program include:

Element	Objective
Base Salary	Provides a regular income at competitive market level and reflects each executive's skills, experience, and responsibilities
Annual Cash Incentive	Motivates our executives to achieve our annual operational and financial goals
Long-Term Equity Incentives	Reward sustained performance and align executives' interests with our stockholders
Benefits	Provide for the health and welfare of our executives, including retirement benefits to promote long-term commitment of our executives to the Company

Fiscal Year 2024 Compensation Adjustments

Effective for fiscal year 2024, the Compensation, Culture and People Committee, with guidance from our compensation consultant, Korn Ferry, peer benchmarking data, and the CEO (in the case of named executive officers who are direct reports to the CEO), approved compensation adjustments for certain of our named executive officers to further increase the competitiveness of executive pay with continued focus on short-term and long-term Company performance and stockholder interests.

The Compensation, Culture and People Committee approved an increase of \$500,000 to the target annual incentive amount and \$1,500,000 to the target annual time-based RSU amount for Mr. Rozanski. Additionally, the Compensation, Culture and People Committee approved the following compensation increases for Mr. Calderone, Ms. Anderson, and Ms. Dotson for fiscal year 2024: (i) Mr. Calderone received an increase of \$175,000 to the target annual incentive amount and \$225,000 to the target annual equity grant amount, (ii) Ms. Anderson received an increase of \$25,000 to the target annual incentive amount and \$275,000 to the target annual equity grant amount, and (iii) Ms. Dotson received an increase of \$100,000 to the target annual incentive amount and \$100,000 to the target annual equity grant amount. The named executive officers' fiscal 2024 target annual cash incentive amounts are set forth below under the heading "Compensation Discussion and Analysis—Compensation Elements—Annual Cash Incentive," and the fiscal 2024 target annual equity grant amounts are set forth below under the heading "Compensation Discussion and Analysis—Compensation Elements—Long-Term Equity Incentives—Fiscal Year 2024 Annual Grants."

At-Risk Compensation

We believe that a significant portion of our named executive officers' compensation should be tied to the Company's success and the long-term returns of our stockholders. Consistent with this approach and as shown in the charts below for target compensation as of fiscal year-end 2024, more than half of the target compensation for each of our CEO and other named executive officers is delivered in the form of variable "at risk" compensation opportunities that are tied to the achievement of pre-set financial and operational goals.

Base Salary

Base salary represents a relatively small portion of the total target executive compensation opportunities and provides the fixed component necessary to attract and retain executive talent. The salary paid to each of our named executive officers in fiscal year 2024 is set forth in the table below.

Name	FY24 Base Salary
Horacio D. Rozanski	\$1,500,000
Matthew A. Calderone	\$650,000
Kristine Martin Anderson	\$900,000
Judith H. Dotson	\$650,000
Nancy J. Laben	\$650,000

Annual Cash Incentive

The annual cash incentive portion of our executives' compensation is provided through our annual bonus program. The target annual incentive amount for our named executive officers is determined each year by the Compensation, Culture and People Committee based on the market analysis and recommendation of our compensation consultant, as well as of the CEO (in the case of named executive officers who are direct reports to the CEO).

The target annual cash incentive value for each named executive officer is established as a fixed dollar value, as approved by the Compensation, Culture and People Committee generally near the beginning of each fiscal year. The actual annual incentive payout for each named executive officer is determined after the fiscal year ends, as described below, and calculated as a percentage of over- or under-performance as approved by the Compensation, Culture and People Committee and applied to the target annual incentive value. Executives who retire, or terminate employment under our transition policy, before the end of the fiscal year are generally eligible to receive a prorated incentive payment.

The annual incentive is based on achievement of the Company's performance against a target Adjusted EBITDA range with upward or downward adjustments for performance in comparison to the range. The performance range is generally determined at or near the beginning of each fiscal year by the Compensation, Culture and People Committee. Payment of the annual incentive approximating target levels would generally occur when actual Adjusted EBITDA is within the established Adjusted EBITDA range. A portion of any variance between the established range and actual Adjusted EBITDA is reflected as an adjustment to the pool of funds available for the annual incentive payment, or the bonus pool. The amount of the adjustment is determined by the Compensation, Culture and People Committee in its sole discretion. A positive variance between the range and actual Adjusted EBITDA would generally result in an increase in the bonus pool and a negative variance would generally result in a decrease in the bonus pool.

Adjusted EBITDA represents net income before income taxes, net interest and other expense and depreciation and amortization, and before certain other items, including transaction costs, fees, losses, and expenses, including fees associated with debt prepayments. We base the annual incentive portion of our executives' compensation on Adjusted EBITDA because we believe it is a direct reflection of the cash flow and operating profitability of our business and represents the element of our performance that executives can most directly impact through their management of the business.

Our Compensation, Culture and People Committee reviews and approves the Adjusted EBITDA result and any adjustments to the plan bonus pool based on year-end operating results. The final bonus pool, as approved by our Compensation, Culture and People Committee, is distributed to our executives as a consistent percentage of the target value.

	Adjusted EBITDA ¹	Executive Bonus Pool
FY24 Target	Range: \$1,060 million - \$1,090 million	\$25.1 million
FY24 Actual	\$1,175 million	\$40.1 million

(1) See Appendix A to this proxy statement for a reconciliation of Adjusted EBITDA to the most directly comparable financial measure calculated and presented in accordance with GAAP.

For fiscal year 2024, the Company's performance exceeded the top-end of the fiscal year 2024 target Adjusted EBITDA range. Based on these results, the Compensation, Culture and People Committee determined that bonus payouts should be above target to appropriately recognize and reward the Company's leadership. Accordingly, the Compensation, Culture and People Committee approved the executive bonus payout equal to approximately 160% above the target. The short-term incentive target opportunities and cash payments received by each of our named executive officers for fiscal year 2024 are presented in the table below.

Name	FY24 Annual Cash Incentive Target	Annual Cash Incentive Payout	Annual Cash Incentive Paid
Horacio D. Rozanski	\$2,000,000	160%	\$3,200,000
Matthew A. Calderone	\$650,000	160%	\$1,040,000
Kristine Martin Anderson	\$650,000	160%	\$1,040,000
Judith H. Dotson	\$650,000	160%	\$1,040,000
Nancy J. Laben	\$550,000	160%	\$880,000

Long-Term Equity Incentives

It is our philosophy that executives should hold meaningful amounts of long-term equity compensation to align the personal financial interests of our executives with the interests of long-term stockholders and to encourage a long-term perspective with regard to Company performance and growth. The equity compensation for our executives is delivered in the form of annual grants and new hire/advancement and retention grants.

Fiscal Year 2024 Annual Grants

Our named executive officers receive long-term equity incentive grants as part of their annual compensation that have two components: time-based restricted stock units (RSUs) and performance-based RSUs.

- *Time-Based RSUs*: Settle into shares of Class A common stock in three equal installments over three years, subject solely to continued employment through each applicable vesting date.
- *Performance-Based RSUs*: Settle into shares of Class A common stock at the end of a three-year performance period. For fiscal year 2024, the performance-based RSU goals are based on the Company's cumulative performance against two internal financial metrics — Adjusted EBITDA and Revenue. The Committee also approved two internal strategic metrics related to the Company's capital deployment activity and commitment to diversity, equity, and inclusion, and introduced a total shareholder return (TSR) multiplier, as described below.

Fiscal Year 2024 Performance Metrics		Weighting	Performance Metric Description
Financial Metrics	Adjusted Earnings before Interest, Taxes, Depreciation, and Amortization (Adjusted EBITDA) ¹	70%	Three-year cumulative adjusted EBITDA measured against performance targets set at the start of the performance period
	Revenue ¹	20%	Three-year cumulative revenue measured against performance targets set at the start of the performance period
Strategic Metrics	Capital Deployment for M&A	5%	Three-year target for capital deployment to be used for merger and acquisition ("M&A") activity, measured against performance targets set at the start of the performance period
	Diversity, Equity and Inclusion	5%	Three-year progress specific to the Company's diversity, equity, and inclusion goal measured against performance targets set at the start of the performance period
TSR Multiplier	Total Shareholder Return	20% Multiplier	Three-year comparison of the Company's total shareholder return relative to the S&P Software and Services Select Industry Index

(1) See Appendix A to this proxy statement for information as to how these non-GAAP financial measures are calculated from our audited financial statements.

The Compensation, Culture and People Committee approved Adjusted EBITDA and Revenue as the financial metrics for performance-based RSUs granted in fiscal year 2024 to create a direct relationship between named executive officer compensation and performance against the Company's multi-year Investment Thesis, as presented to stockholders, which is

focused on driving organic revenue, Total EBITDA and capital deployment. The Committee approved the use of Adjusted EBITDA as a metric in both of the annual and long-term incentive plans in fiscal year 2024 because it is viewed as a direct reflection of the cash flow and operating profitability of our business and represents the element of performance that executives can most directly impact through their management of the business. The Company views Adjusted EBITDA as a critical metric in evaluating operating performance as a measure of the Company's ability to drive profitable growth through a combination of revenue performance and cost management to optimize earnings generation for stockholders.

The strategic metrics (10% combined weighting) for fiscal year 2024 were selected by the Compensation, Culture and People Committee, with guidance from the outside compensation consultant Korn Ferry and management. The strategic metrics used for our performance-based RSUs are designed to support the organization's overall strategy, purpose, and values, and these metrics will continue to evolve over time consistent with our business strategy.

For fiscal year 2024, the Compensation, Culture, and People Committee approved the introduction of a Total Shareholder Return ("TSR") multiplier relative to the S&P Software and Services Select Industry Index. This multiplier creates additional risk and reward for executive compensation based on significant over- or under-performance against a broad group of industry peers.

At the start of the three-year performance cycle, the Compensation, Culture and People Committee sets the threshold, target and maximum performance levels, and corresponding payouts. When establishing these performance levels, the Compensation, Culture and People Committee considers, among other things, projected Company performance and long-term strategic growth objectives, business outlook, and market growth forecasts. Since the goals are established for future performance over a three-year period, outcomes are by definition uncertain. Due to the proprietary and competitive nature of the Company's business strategy and internal budgets that inform the three-year performance program targets, the Compensation, Culture and People Committee discloses the long-term performance levels for each of the performance goals following the completion of the performance period.

The number of performance-based RSUs that vest at the end of the three-year performance cycle based on the financial and strategic performance goals may range from zero percent for performance that falls below the minimum performance threshold and up to 195% for maximum performance. The number of restricted stock units earned based on the financial and strategic performance goals may be further increased or decreased by the application of the TSR multiplier relative to the companies within the S&P Software and Services Select Industry Index. The TSR multiplier is dependent upon the Company's TSR positioning against the companies within the Index during the performance period (multiplier is 120% if the Company's TSR is at or above the 75th percentile, 80% if TSR is at or below the 25th percentile, and no modifications between the 25th and 75th percentiles). The maximum number of performance-based RSUs granted in fiscal year 2024 that may be earned by a named executive officer after application of the TSR multiplier is 234% of target value.

For fiscal year 2024, the target annual equity mix for our CEO was 61.2% aligned to performance-based RSUs and 38.8% aligned to time-based RSUs. The average target annualized equity mix for all other named executive officers was approximately 60% aligned to performance-based RSUs and approximately 40% aligned to time-based RSUs. The performance-based RSUs allow for additional rewards based on over-achievement against our long-term performance goals, while also penalizing for under-performance. The time-based RSUs encourage retention and provide for incremental recognition of equity compensation over the vest cycle.

The target value of the annual grants to our named executive officers of performance-based and time-based RSUs in fiscal year 2024 are presented in the table below.

Name	FY24 Annual Target Performance-Based RSU Grant ¹	FY24 Annual Target Time-Based RSU Grant ¹
Horacio D. Rozanski	\$6,526,683	\$3,880,082
Matthew A. Calderone	\$895,821	\$560,035
Kristine Martin Anderson	\$1,119,848	\$700,021
Judith H. Dotson	\$959,829	\$600,018
Nancy J. Laben	\$1,023,837	\$640,002

Fiscal Year 2022-2024 Performance-Based RSU Awards

In May 2024, the Compensation, Culture and People Committee reviewed and certified the performance results of the performance-based RSUs granted in July 2021, applicable for the fiscal years 2022-2024 performance period, against the targets set at the beginning of the three-year period. The goals included two financial metrics, Cumulative Adjusted Diluted Earnings Per Share (ADEPS) and Cumulative Value Added Revenue (VAR). Additionally, this performance period included two non-financial strategic goals associated with our commitment to diversity, equity, and inclusion. These non-financial strategic goals are focused on improvement in our employee experience survey results and the diversity of our workforce. Successful achievement of each non-financial strategic goal by the end of the three-year performance period could result in additional 5% upside vest opportunity for each non-financial goal, respectively, calculated after performance for the financial metrics has been approved and certified.

Based on its assessment of both financial and non-financial strategic goal performance, the Compensation, Culture and People Committee approved a final payout percentage for the July 2021 performance-based RSU awards (fiscal years 2022-2024 performance period) of 105% of target, with actual financial results and threshold, target, above target, and maximum goals presented in the table below.

Performance Measures	Weighting	Below Threshold	Threshold	Above Threshold	Target	Above Target			Maximum	Actual ¹	% of Target Achieved	Payout Factor
		0% Payout	50% Payout	75% Payout	100% Payout	120% Payout	150% Payout	180% Payout	200% Payout			
Cumulative Three-Year ADEPS	75%	\$13.65	\$13.66 - \$13.97	\$13.98 - \$14.37	\$14.38 - \$14.71	\$14.72 - \$15.23	\$15.24 - \$15.57	\$15.58 - \$16.02	\$16.03 +	\$14.46	100%	75%
Cumulative Three-Year VAR	25%	\$19,078	\$19,079 - \$19,280	\$19,281 - \$19,467	\$19,468 - \$19,841	\$19,842 - \$20,238	\$20,239 - \$20,634	\$20,635 - \$21,030	\$21,031 +	\$19,666	100%	25%
Total Financial Payout												100%

(1) See Appendix A to this proxy statement for a reconciliation between each non-GAAP financial measure and the most directly comparable financial measure calculated and presented in accordance with GAAP.

The payout factor as a result of the two financial metrics was 100%. After taking into account achievement of the goal related to the improvement in our employee experience survey results, the total payout factor was 105%. Although meaningful progress was made toward achievement of the second non-financial strategic goal during the performance period, performance against this goal resulted in no adjustment to the payout factor.

Fiscal Year 2025 Compensation Adjustments

The Compensation, Culture and People Committee approved certain changes to the compensation program for fiscal year 2025, as described below.

With respect to the annual bonus program, for fiscal year 2025, the Compensation, Culture and People Committee, with guidance from Korn Ferry and management, introduced an operational metric, alongside Adjusted EBITDA, as part of the annual bonus program goals. The operational metric has a 5% weighting and is designed to support the organization's overall strategy, purpose, and values. We anticipate such metrics will evolve over time consistent with the Company's business strategy.

The Compensation, Culture and People Committee has also approved the performance goals for the performance-based RSUs granted in fiscal year 2025. The performance goals, as defined in the applicable award agreement, include Adjusted EBITDA (75% weighting) and Revenue (25% weighting). The number of RSUs earned based on the performance goals may be increased or decreased by the application of a TSR multiplier relative to the companies within the S&P Software and Services Select Industry Index. The TSR multiplier is dependent upon the Company's TSR positioning against the companies within the Index during the performance period (multiplier is 120% if the Company's TSR is at or above the 75th percentile, 80% if TSR is at or below the 25th percentile, and no modifications between the 25th and 75th percentiles). The performance goals for the performance-based RSUs for fiscal year 2025 will not include strategic metrics; an operational metric will be included in the annual cash incentive program for fiscal year 2025, as described above.

In addition, the Compensation, Culture and People Committee, taking into consideration the peer group benchmarking analysis, the Company's sustained out-performance and growth, input from Korn Ferry, along with feedback from the CEO (in the case of named executive officers who are direct reports to the CEO), and the Committee's collective judgment and discretion, also approved the fiscal year 2025 compensation for our named executive officers, including the compensation adjustments described below.

Effective for fiscal year 2025, the Compensation, Culture and People Committee approved the following compensation increases for Mr. Calderone, Ms. Anderson, Ms. Dotson and Ms. Laben: (i) Mr. Calderone received an increase of \$100,000 to base salary, \$100,000 to the target annual incentive amount and \$300,000 to the target annual equity grant amount, (ii) Ms. Anderson received an increase of \$125,000 to the target annual incentive amount and \$250,000 to the target annual equity grant amount, (iii) Ms. Dotson received an increase of \$100,000 to base salary and \$100,000 to the target annual incentive amount, and (iv) Ms. Laben received an increase of \$100,000 to the target annual equity grant amount. Additionally, in connection with the approval of the foregoing compensation changes and the annual equity grants for our named executive officers, the Committee approved special one-time equity grants to encourage long-term retention and further align compensation with long-term Company performance for each of Mr. Calderone and Ms. Anderson and Ms. Laben in the amounts of \$3,000,000, \$3,000,000 and \$1,000,000, respectively. Mr. Calderone's and Ms. Anderson's grants are comprised of 50% time-based restricted stock units and 50% performance-based restricted stock units, and Ms. Laben's grant is comprised of 100% time-based restricted stock units.

Benefits and Perquisites

Our employees are eligible to participate in a full complement of benefit plans. Our named executive officers also participate in enhanced medical and dental plans, life insurance, accidental death and dismemberment, and personal liability coverage at the Company's expense. During fiscal year 2024, our named executive officers were eligible to receive perquisites, including up to \$15,000 per year for financial counseling, up to \$7,500 every three years to update an estate plan, and up to \$3,000 for preparation of estate plans following relocation to a new tax jurisdiction. In addition, to protect our executives from various risks, we maintain an executive protection program that provides our executives with a security assessment for their primary residence and security service for international or domestic travel. We believe that our executive benefit and perquisite programs are reasonable and necessary to provide for the well-being of our executives. For more detail on the perquisites that our named executive officers receive, see footnote 7 to the Summary Compensation Table.

Retirement Benefits

We provide retirement benefits to our executives, including our named executive officers, to help them build financial security for retirement, while allowing them to direct the investment of their retirement savings as they choose. For a description of these benefits, see "Potential Payments upon Termination or a Change in Control — Retirement Benefits." below.

Employees' Capital Accumulation Plan

All eligible employees, which includes our named executive officers, may participate in the tax-qualified Employees' Capital Accumulation Plan, or ECAP. Under this plan, eligible employees, including our named executive officers, receive an annual matching contribution based on their voluntary contributions up to 6% of their eligible annual income, as determined by the Internal Revenue Code of 1986, as amended (the "Code"). Each executive is also eligible to receive a payment that is equivalent to the annual tax-deferred contribution he or she is permitted to make to the ECAP under the Code. Executives may elect to have these funds deposited into a pre-tax or Roth 401(k), or the executive may simply receive the funds as a cash payment and be taxed accordingly.

Non-Qualified Deferred Compensation Plan

As part of our executive compensation program, we offer a non-qualified deferred compensation plan for our executives to encourage employees to save for their retirement. Eligible employees, which include all named executive officers, may elect to contribute up to 100% of their annual cash bonus to this plan. None of our named executive officers enrolled for the fiscal year 2024 deferral.

Additional Retirement Benefits

We provide additional retirement benefits to our executives, including our named executive officers, in order to provide them with additional security in retirement and promote a long-term career with our Company. Our named executive officers participate in the Officers' Retirement Plan, under which the executive may retire with full benefits after a minimum of either (a) age 60 with five years of service as an executive, or (b) age 50 with 10 years of service as an executive. In fiscal year 2024, we revised our retirement benefit offerings. An eligible executive who retires and does not receive severance benefits is entitled to receive a single lump-sum retirement payment equal to \$20,000 for each year of service as an executive (previously \$10,000), pro-rated as appropriate. Previously, retirees were eligible to receive a one-time gift of up to \$10,000, an annual allowance of \$4,000 for ongoing financial counseling and tax preparation assistance, and a one-time reimbursement, available immediately upon retirement, of up to \$5,000 for retirement financial planning, which have been eliminated for future retirees as of January 1, 2024. Our retirees are also eligible to receive comprehensive coverage for medical, pharmacy, and dental healthcare. The premiums for this healthcare coverage are paid by the Company.

Executive Ownership Requirements

Equity ownership requirements are in place for our executives, including our named executive officers, to further align their interests to those of our stockholders. Our ownership requirements extend beyond market expectations. Our named executive officers have regularly exceeded our equity ownership guidelines and demonstrate a commitment to the Company's long-term value by owning equity well above their requirements. Until an executive has satisfied the ownership requirements set forth below, the executive cannot sell any equity granted as executive equity compensation by the Company. Each executive's required equity ownership amount is determined as a multiple of his or her base salary. The applicable multiples for our named executive officers are set forth in the table below, as well as a comparison of their approximate actual equity ownership requirement as of the end of the fiscal year:

<i>Named Executive Officers</i>	<i>Ownership Requirement</i>	<i>NEO Actual Ownership¹</i>
Chief Executive Officer	7x base salary	68x base salary
Other named executive officers	4x base salary	21x base salary

(1) Ownership for the "other named executive officers" is an average of their equity holdings compared to their respective base salary amounts as of fiscal year-end 2024. Performance-based RSUs that vested on March 31, 2024 are included at target for purposes of this calculation.

In calculating an executive's ownership, Class A Common Stock, vested in-the-money stock options, restricted stock, restricted stock units, and outstanding performance stock units at target, issued under the Equity Incentive Plan are considered as owned by the executive. Each of our named executive officers has satisfied his or her individual stock ownership requirement.

Risk Assessment

We conducted an internal risk assessment of our compensation programs with participation from Korn Ferry. Based on our approach of compensating our executives to foster the financial success of the Company as a whole and other elements of our compensation system, our Compensation, Culture and People Committee, with the information from our internal review, concluded that our executive compensation program does not encourage undue risk taking and the risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company.

Advisory Vote to Approve Executive Compensation

At the 2023 Annual Meeting of Stockholders, approximately 97% of the votes cast were in favor of our executive compensation structure. The Board and Compensation, Culture and People Committee viewed this strong support as an indicator of general approval of our approach to executive compensation. In 2023, the Company's stockholders approved the recommendation of holding the say-on-pay vote annually. The next advisory vote for the frequency of holding the say-on-pay vote is scheduled for the Annual Meeting of Stockholders in 2029.

We continue to engage with our stockholders and welcome feedback regarding our executive compensation programs.

Government Limitations on Reimbursement of Compensation Costs

As a government contractor, we are subject to applicable federal statutes and the Federal Acquisition Regulation (FAR), which govern the reimbursement of costs by our government clients. Pursuant to the FAR our contracts limit the allowability of reimbursement for compensation to certain, or in some cases all, employees, including our named executive officers, to a benchmark compensation cap established each year by the Office of Management and Budget (OMB). When comparing compensation to the benchmark cap, all wages, salary, bonuses, deferred compensation, and employer contributions to defined contribution pension plans, if any, for the year, as recorded in our books and records, must be included. Any amounts over the cap are considered unallowable and are therefore not recoverable under our government contracts. The compensation cap established by the OMB, which is applicable to a portion of our contracts for the 2024 calendar year, is \$646,000. Other contracts have higher caps and/or limit the allowable compensation of fewer employees.

Compensation Recovery Provisions (Clawbacks)

Effective October 2, 2023, the Compensation, Culture and People Committee adopted, and the Board ratified, a mandatory clawback policy in accordance with Section 10D of the Exchange Act and Section 303A.14 of the NYSE Listed Company Manual (the "Rule 10D-1 Clawback Policy"). The Rule 10D-1 Clawback Policy requires the Company to recover from its executive officers certain incentive-based compensation in the event that the Company is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, without regard to any misconduct on the part of the executive and subject to certain limited exceptions. The Rule 10D-1 Clawback Policy applies to incentive-based compensation (whether cash- or equity-based) received by current and former executive officers of the Company during the three fiscal years preceding an accounting restatement and after the effective date of the NYSE listing standards, which was October 2, 2023. The Compensation, Culture and People Committee administers this policy.

We also have provisions in our incentive plans that provide us with the ability to impose the forfeiture of bonuses and equity compensation and the recovery of certain bonus amounts and gains from equity compensation awarded under those plans. Such forfeitures and recoveries may occur:

- in the event of an accounting restatement due to material noncompliance with any financial reporting requirements under the securities laws with respect to individuals who knowingly or grossly negligently engaged in misconduct or knowingly or grossly negligently failed to prevent the misconduct,
- with respect to individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, and,
- to the extent that, based on erroneous data, any award or payment under the Annual Incentive Plan is in excess of what would have been paid under the accounting restatement during the three-year period preceding the date on which a financial restatement is required, current or former executives, or as otherwise required under applicable laws or regulations.

In addition, if an individual engages in certain other misconduct, including if (i) the participant's performance is deemed to contribute substantially to significant financial losses, (ii) the participant's performance is deemed to contribute substantially to a significant downward restatement of any published results of our company or a subsidiary, (iii) the participant's conduct results in or contributes substantially to significant reputational harm to our company, (iv) the participant materially breaches applicable legal and/or regulatory requirements, or, with respect to any conduct by other employee(s) that materially breaches or contributes substantially to a material breach of applicable legal and/or regulatory requirements, the participant had supervisory authority over the employee(s) or business area engaged in the conduct and knew of, or was willfully blind to, such conduct, (v) the participant's conduct constitutes cause or (vi) the participant's conduct results in or contributes substantially to a material breach of our applicable internal policies and procedures, the Company has the discretion to suspend vesting of all or a portion of any award and/or require the forfeiture or disgorgement to the Company of any equity award (including gains on the sale of the stock, if any) that vested, was paid, or settled in the 24 months prior to or any time after the individual engaged in such misconduct.

Our Equity Incentive Plan and Annual Incentive Plan also permit the Company to subject awards to forfeiture, disgorgement, and recoupment under any applicable clawback policies that may be adopted by the Board or our Compensation, Culture and People Committee, including our Rule 10D-1 Clawback Policy.

Certain Change in Control Provisions

Equity Awards

With respect to outstanding equity awards granted to our named executive officers under the Equity Incentive Plan in fiscal year 2024 and 2023, pursuant to the terms of the applicable award agreements as approved by our Compensation, Culture and People Committee, in the event of a change in control:

- all time-based options and time-based restricted stock units shall remain outstanding and vest on the applicable vesting date, subject to the continued employment or service of the participant with the Company or any subsidiary thereof through such vesting date. However, if the participant's employment or service is terminated by the Company without "cause" or for "good reason" (in each case, as defined in the applicable award agreement) within two years following the effective date of the change in control transaction (each, a "Qualifying Termination"), such outstanding options and restricted stock units will vest as of the date of such termination; and
- unvested performance-based restricted stock units will remain outstanding at target levels and will vest on the original vesting date, subject to the continued employment or service of the participant by the Company or any subsidiary thereof through such vesting date, but without regard to achievement of any performance goals; however, if the participant's employment or service is terminated in a Qualifying Termination within two years following the effective date of the change in control, such outstanding restricted stock units will vest as of the date of such termination.

With respect to any outstanding time-based options granted to our named executive officers under the Equity Incentive Plan prior to May 2022, any such time-based options will vest upon the change in control as provided by the Equity Incentive Plan.

"Change in control" is generally defined in the Equity Incentive Plan to mean the acquisition by any person of 50% or more of the combined voting power of our Company's then outstanding voting securities, the merger of our Company if our stockholders immediately prior to the merger do not own more than 50% of the combined voting power of the merged entity, the liquidation or dissolution of our Company (other than in a bankruptcy proceeding or for the purposes of effecting a corporate restructuring or reorganization), or the sale of all or substantially all the assets of our Company to non-affiliates.

The 2023 Equity Incentive Plan of the Company (the "2023 Plan") was approved by our stockholders in July 2023 and governs equity awards made to our named executive officers after its effective date. The 2023 Plan provides that, upon a change in control, unless otherwise determined by the Compensation, Culture and People Committee or as otherwise provided in an award agreement, any unvested or unexercisable time-based and performance-based awards granted under the 2023 Plan will not become fully vested upon the occurrence of a change in control, and will instead be honored, assumed or substituted following the change in control, so long as such substitute awards (i) provide a participant with rights and entitlements (including economic value) that are substantially equivalent to or better than the rights and terms applicable to the awards held by such participant immediately prior to the change in control, and (ii) provide for accelerated vesting upon an involuntary termination of a participant's employment without cause or for good reason within two years following the occurrence of the change in control. If the awards are not honored, assumed or substituted upon a change in control, then any time-based awards granted under the 2023 Plan, including time-based options and time-based restricted stock units, will fully vest, and a portion of any outstanding performance-based awards granted under the 2023 Plan, including performance-based restricted stock units, will vest based on performance achieved as of the consummation of the transaction constituting a change in control.

Retiree Medical Plan

If, during the five-year period after a change in control, our executives' retiree medical plan is terminated or modified in a manner that is materially adverse to our executives, each of our executives, including our named executive officers, will be guaranteed their existing benefits under the plan through the fifth anniversary of the change in control and receive at the end of the five-year period a cash payment equal to the excess of the actuarial cost of the executive's benefits under the plan that would be accrued on the Company's financial statements on the fifth anniversary of the change in control in the absence of the termination or modification over the amount that is accrued on our financial statements on the fifth anniversary of the change in control giving effect to the termination or modification (but excluding the accrual on the payment itself).

Policies on Timing of Equity Grants

It is our policy not to time the granting of equity awards, including stock option awards, in relation to the release of material non-public information. Accordingly, regularly scheduled awards are permitted to be granted at times when there is material non-public information. Annual equity awards to all officers, including the named executive officers, are typically granted by the Compensation, Culture and People Committee at its prescheduled meeting in May of each fiscal year. We generally grant equity awards to newly hired and promoted executive officers at the subsequently scheduled Compensation, Culture and People Committee or Board meeting following the respective effective date of the hire or promotion. We do not time the disclosure of material non-public information for the purpose of affecting the value of executive compensation.

Effect of Accounting and Tax Treatment on Compensation Decisions

The Compensation, Culture and People Committee has from time to time considered the potential impact of Section 162(m) of the Code, or Section 162(m), on elements of our compensation program. Section 162(m) imposes a limit on the amount of compensation that we may deduct in any one year with respect to certain “covered employees.” The 2017 Tax Cuts and Jobs Act made certain changes to Section 162(m), including repealing the performance-based compensation exception and expanding the scope of persons covered by the limitations on deductibility under Section 162(m). Accordingly, compensation paid after March 31, 2018 to our covered employees in excess of \$1 million will not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017 that are not modified in any material respect after that date.

Our Compensation, Culture and People Committee considers it important to retain the flexibility to design compensation programs that are in the best long-term interests of our Company and our stockholders and does not have a policy requiring compensation to be fully deductible under Section 162(m). While we intend to rely on the transition relief included in the 2017 Tax Cuts and Jobs Act to the extent practicable and consistent with our business needs, as a result of the elimination of the exemption for qualified performance-based compensation, our Compensation, Culture and People Committee pays and expects to continue paying compensation at levels that are not deductible under Section 162(m).

Other provisions of the Code can also affect compensation decisions. Section 409A of the Code, or Section 409A, which governs the form and timing of payment of deferred compensation, imposes sanctions, including a 20% penalty and an interest penalty, on a recipient of deferred compensation that does not comply with Section 409A. Our Compensation, Culture and People Committee takes into account the potential implications of Section 409A in determining the form and timing of compensation awarded to our executives and strives to structure its nonqualified deferred compensation plans to meet these requirements.

Section 280G of the Code, or Section 280G, disallows a company's tax deduction for payments received by certain individuals in connection with a change in control to the extent that the payments exceed an amount approximately three times their average annual compensation and Section 4999 of the Code imposes a 20% excise tax on those payments. As described above, awards under our Equity Incentive Plan contain provisions that, in certain circumstances, accelerate vesting of all or a portion of the awards in connection with a change in control and Qualifying Termination within two years following the change in control. To the extent that payments upon a change in control are classified as excess parachute payments, our Company's tax deduction would be disallowed under Section 280G.

- (1) Compensation is provided only for fiscal years for which each individual qualified as a named executive officer. The fiscal year runs from April 1 through March 31 of the subsequent calendar year.
- (2) This column reflects the aggregate grant date fair value of the time- and performance-based restricted stock units granted to our named executive officers in fiscal year 2024. The grant date fair value of the time-based restricted stock units is measured in accordance with FASB ASC 718 and based on the closing price of the Company's common stock on the date of grant. The grant date fair value of the performance-based restricted stock units is calculated using a Monte-Carlo model for each award on the date of grant, as determined under FASB ASC 718 based on the probable outcome of the performance condition as of the grant date. This column reflects the grant assumptions set forth in Note 18 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2024, which are incorporated by reference herein, modified to exclude any forfeiture assumptions related to service-based vesting conditions. The amounts in this column do not reflect the value, if any, that ultimately may be realized by the executive. Assuming the maximum level of performance is achieved, the value at the grant date of the fiscal year 2024 performance-based restricted stock units reflected in this column would be as follows: Mr. Rozanski, \$14,320,832; Mr. Calderone, \$1,965,559; Ms. Anderson, \$2,457,128; Ms. Dotson, \$2,105,994, and Ms. Laben, \$2,246,430.
- (3) This column reflects the aggregate grant date fair value of the stock options computed in accordance with FASB ASC Topic 718 using the valuation methodology and assumptions set forth in Note 18 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2024, which are incorporated by reference herein, modified to exclude any forfeiture assumptions related to service-based vesting conditions. The amount in this column does not reflect the value, if any, that ultimately may be realized by the executive.
- (4) This column reflects the fiscal year 2024 annual cash incentive bonus program, which provides awards based on the achievement of corporate performance objectives. The amounts reported in this column relate to the year in which such bonuses were earned by each of our named executive officers. See "Compensation Discussion and Analysis—Compensation Elements—Annual Cash Incentive" for additional detail regarding the annual performance bonus program.
- (5) This column reflects the change in the actuarial present value of the cash retirement benefit accrued under the Officers' Retirement Plan for each of our named executive officers from fiscal year-end 2022 to fiscal year-end 2024. Fiscal year 2024 amounts reflect an increase due to changes in the retirement benefits offered to our named executive officers under our Officers' Retirement Plan, as discussed in the "Compensation Discussion and Analysis—Compensation Elements—Retirement Benefits" section of this proxy statement.
- (6) Mr. Calderone and Ms. Anderson and Dotson were not named executive officers in fiscal year 2022. Accordingly, no compensation information is provided for Mr. Calderone and Ms. Anderson and Dotson for such fiscal year.
- (7) The table below describes the elements included in All Other Compensation for fiscal year 2024.

- (a) This column reflects the standard financial counseling benefit received by each named executive officer pursuant to the Company's Officer Perquisites Policy, which is limited to \$15,000 on a calendar year basis. Value shown for Mr. Rozanski exceeds this amount as the table is based on our fiscal year, which ended March 31, 2024, and therefore covers portions of two separate calendar years, 2023 and 2024.
- (b) This column represents retirement plan contributions paid by the Company to the named executive officers as described above under "Compensation Discussion and Analysis—Compensation Elements—Retirement Benefits."
- (c) This column includes dental, supplemental medical, accident insurance, personal excess liability coverage, vehicle parking, and anniversary gifts for Ms. Dotson and Ms. Laben. This column also includes security services for Mr. Rozanski (\$72,443), Ms. Anderson (\$12,250), Ms. Dotson (\$37,047), and Ms. Laben (\$132,828).

- (1) Reflects the target bonus for fiscal year 2024 under our Annual Incentive Plan, which provides awards based on the achievement of corporate performance objectives, payable in cash. The Annual Incentive Plan is described more fully under "Compensation Discussion and Analysis—Compensation Elements—Annual Cash Incentive." Non-equity incentive plan awards have no minimum threshold or maximum payouts, although our plan does limit the annual amount of bonus an individual can earn to \$5,000,000. The actual cash bonuses paid for fiscal year 2024 are reflected in the Summary Compensation Table.
- (2) Reflects the target number of annual performance-based restricted stock units granted pursuant to the Equity Incentive Plan in May 2023. The performance-based restricted stock units are determined by the Company's performance against two financial metrics, Adjusted EBITDA (70% weighting) and Revenue (20% weighting), and two strategic metrics, Capital Deployment for Mergers & Acquisitions (5% weighting) and Diversity, Equity, and Inclusion (5% weighting), and a relative Total Shareholder Return multiplier based on cumulative performance over a three-year period. The threshold payout for the performance-based restricted stock units is reflected at 55% of target and does not include a modifier for TSR performance. The maximum payout is reflected at 234% of target, with inclusion of the maximum TSR modifier of 120% modifier to represent absolute maximum performance. See "Compensation Discussion and Analysis—Compensation Elements—Long-Term Equity Incentives" for details regarding these grants.
- (3) Reflects the time-based restricted stock units granted pursuant to the Equity Incentive Plan in May 2023, which vest in equal annual installments over three years based on the continued employment of the named executive officer. See "Compensation Discussion and Analysis—Compensation Elements—Long-Term Equity Incentives" for details regarding these grants.

- (4) The grant date fair value for time-based restricted stock units is measured in accordance with FASB ASC 718 and based on the closing price of the Company's common stock on the date of grant. The grant date fair value for performance-based restricted stock units is calculated using a Monte-Carlo model for each award on the date of grant, as determined under FASB ASC 718 based on the probable outcome of the performance condition as of the grant date. The grant date fair value for the time- and performance-based restricted stock units reflects the grant assumptions set forth in Note 18 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2024, which are incorporated by reference herein.

Such options granted prior to May 2022 become fully vested and exercisable immediately prior to the effective date of certain change in control events, unless otherwise determined by our Compensation, Culture and People Committee. With respect to options granted in May 2022, upon a change in control, the options will remain outstanding and vest on the original vesting date, subject to the continued employment or service through such date; provided, that,

if the participant's employment or service is terminated by the Company without cause or for good reason within two years following the effective date of the change in control, the outstanding options will vest as of the date of termination.

- (2) The time-based restricted stock units reported in this column will vest, subject to the continued employment of the named executive officer, on the dates set forth in the table below:

Name	June 1, 2024	August 1, 2024	March 31, 2025	June 1, 2025	August 1, 2025	March 31, 2026	Total
Horacio D. Rozanski	—	—	24,209	—	—	14,396	38,605
Matthew A. Calderone	—	—	3,215	—	—	2,079	5,294
Kristine Martin Anderson	9,277	—	4,920	9,279	—	2,597	26,073
Judith H. Dotson	—	696	4,372	—	696	2,226	7,990
Nancy J. Laben	—	—	4,539	—	—	2,375	6,914

Upon a change in control, such outstanding time-based restricted stock units will remain outstanding and vest on the original vesting date, subject to the continued employment or service through such date; provided, that, if the participant's employment or service is terminated by the Company without cause or for good reason within two years following the effective date of the change in control, the outstanding time-based restricted stock units will vest as of the date of termination.

- (3) The market value reported in this column has been determined based on the fair market value of our common stock on March 28, 2024 of \$148.44.
- (4) This column reflects the number of performance-based restricted stock units based on achievement of maximum performance, which is 200% of the target grant amount for fiscal year 2023 and 234% for fiscal year 2024, rounded down to the nearest whole share. The table below reflects the vesting opportunity for fiscal year 2023 and fiscal year 2024 performance-based restricted stock unit grants outstanding at fiscal year-end assuming achievement of target performance for the named executive officers.

Name	March 31, 2025	March 31, 2026	Total
Horacio D. Rozanski	75,706	68,114	143,820
Matthew A. Calderone	4,909	9,349	14,258
Kristine Martin Anderson	10,453	11,687	22,140
Judith H. Dotson	14,348	10,017	24,365
Nancy J. Laben	9,736	10,685	20,421

For performance-based restricted stock units granted in fiscal year 2023, vesting opportunity ranges from 0-200% based on actual performance during the three-year performance period compared to the three-year cumulative Adjusted EBITDA and Revenue performance financial goals and two strategic goals. Upon a change in control, the unvested performance-based restricted stock units will be treated as set forth above under the heading "Certain Change in Control Provisions — Equity Awards."

For performance-based restricted stock units granted in fiscal year 2024, vesting opportunity ranges from 0-234% based on actual performance during the three-year performance period compared to the three-year cumulative Adjusted EBITDA and Revenue performance financial goals, two strategic goals, and a relative Total Shareholder Return multiplier relative to the S&P Software and Services Select Industry Index. Upon a change in control, the unvested performance-based restricted stock units will be treated as set forth above under the heading "Certain Change in Control Provisions — Equity Awards."

- (5) The market value reported in this column has been determined based on maximum performance which is 200% and 234% of the target grant amount for both fiscal year 2023 and fiscal year 2024, respectively, rounded down to the nearest whole share, using the fair market value of our common stock on March 28, 2024 of \$148.44.

Option Exercises and Stock Vested Table

The table below provides information on vesting of the restricted stock units and exercise of the stock options of each of our named executive officers during fiscal year 2024:

OPTION EXERCISES AND STOCK VESTED TABLE				
Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$) ¹	Number of Shares Acquired on Vesting (#) ²	Value Realized on Vesting ³ (\$)
Horacio D. Rozanski	89,380	6,868,692	105,450	16,061,691
Matthew A. Calderone	—	—	4,553	681,523
Kristine Martin Anderson	20,260	1,968,111	23,488	3,087,308
Judith H. Dotson	—	—	11,332	1,693,698
Nancy J. Laben	16,090	1,228,793	14,259	2,161,681

- (1) The value realized upon exercise is calculated based on the fair market value of our common stock at exercise less the exercise price of the option.
- (2) Includes performance-based restricted stock units earned by our named executive officers, as applicable, in connection with the fiscal years 2022-2024 performance period that vested on March 31, 2024, and a portion of the time-based restricted stock units granted in previous fiscal years that vested on March 31, 2024.
- (3) The value realized on vesting is calculated based on fair market value on the last trading day of the fiscal year, March 28, 2024, for time-based restricted stock units and fair market value on the applicable vesting date, May 21, 2024, for performance-based restricted stock units, multiplied by the number of shares of our common stock underlying such award.

Pension Benefits Table

The Officers' Retirement Plan is an unfunded defined benefit retirement plan that we maintain for our executives. In fiscal year 2024, we revised our retirement benefit offerings. Under the Officers' Retirement Plan, if any of the fiscal year 2024 named executive officers retire of his or her own volition (and is not entitled to severance) after a minimum of either (a) age 60 with five years of service as an executive, or (b) age 50 with 10 years of service as an executive, such executive will be entitled to receive a single lump sum retirement payment equal to \$20,000 (previously \$10,000) for each year of service as an executive, pro-rated as appropriate. As of fiscal year-end, all of the fiscal year 2024 named executive officers are eligible to receive benefits under the Officers' Retirement Plan upon retirement, as shown in the table below. For a description of these benefits, see "Potential Payments upon Termination or a Change in Control — Retirement Benefits" below.

PENSION BENEFITS TABLE				
Name	Plan Name	Number of Years Credited Service (#) ¹	Present Value of Accumulated Benefits (\$) ²	Payments During Last Fiscal Year (\$)
Horacio D. Rozanski	Officers' Retirement Plan	24.5	490,000	—
Matthew A. Calderone	Officers' Retirement Plan	12.0	240,000	—
Kristine Martin Anderson	Officers' Retirement Plan	14.0	280,000	—
Judith H. Dotson	Officers' Retirement Plan	19.5	390,000	—
Nancy J. Laben	Officers' Retirement Plan	10.5	210,000	—

- (1) The number of years of credited service is less than the named executive officer's number of actual years of service with the Company, with the exception of Ms. Laben who was hired as an executive, as only the named executive officer's service as an executive is relevant for purposes of the benefits available under the Officers' Retirement Plan.
- (2) The present value of accumulated benefits has been calculated in a manner consistent with our reporting of the Retired Officers' Bonus Plan under FASB ASC 715-30, using the Accumulated Benefit Obligation with the exception of the retirement rate assumptions, as set forth in Note 14 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2024, which are incorporated by reference herein. The amounts shown above reflect an assumption that each participant collects his or her benefit at the earliest age at which an unreduced benefit is available.

Potential Payments upon Termination or a Change in Control

Transition Pay

Consistent with our Transition Policy, which deals with departures other than retirement, resignation, death, disability, and terminations for cause, each named executive officer is eligible for transition pay equal to three months of base pay, as well as a lump sum payment equal to one month of base pay for each completed year as an executive, up to a maximum of nine months' base pay. Additionally, the Company will reimburse each named executive officer for up to three months of premium costs in accordance with the Continuous Omnibus Budget Reconciliation Act, "COBRA", based on the eligible healthcare plan(s) in which the named executive officer is enrolled. Under the terms of our Transition Policy and Retirement Policy, all departure payments and benefits are contingent upon the executives' signing of a general release.

Retirement Benefits

Under our Officers' Retirement Plan, if our named executive officers retire, they will each be entitled to receive a single lump sum retirement payment equal to \$20,000 (previously \$10,000) for each year of service as an executive, pro-rated as appropriate. Previously, retirees were also eligible for a one-time gift of up to \$10,000, a one-time reimbursement of up to \$5,000 for retirement financial planning, and an annual allowance of up to \$4,000 for ongoing financial counseling and tax preparation assistance, which have all been eliminated for future retirees as of January 1, 2024. In addition, each of our named executive officers and their eligible dependents are also entitled to receive the benefit of Company-paid retiree medical and dental coverage post-retirement.

Treatment of Equity Awards

In addition, our Equity Incentive Plan and the award agreements governing the equity awards held by our named executive officers include provisions related to the treatment of the awards upon a termination of employment:

Death

In the event of a named executive officer's termination of employment due to death, (i) unvested options immediately vest and remain outstanding until the first anniversary of the termination date, or if earlier, the option's expiration date, (ii) unvested time-based restricted stock units and restricted stock immediately vest, and (iii) unvested performance-based restricted stock units immediately vest at target award levels.

Disability

In the event of a named executive officer's termination of employment due to disability, (i) unvested options continue to vest on the normal schedule, and vested options will remain outstanding until the first anniversary of the termination date (or for options vesting after the termination date, the first anniversary of the vesting date), or if earlier, the option's expiration date, (ii) unvested time-based restricted stock units and restricted stock continue to vest on the normal schedule, and (iii) unvested performance-based restricted stock units vest on the normal vesting date in a pro rata amount of the units that would have been earned and vested based on the actual achievement of the performance goals as if employment had not terminated (with the amount prorated based on the portion of the performance period that lapsed prior to the termination date).

Company Approved Departure

In the event of a named executive officer's termination of employment by reason of a "Company approved departure" (as defined in the Equity Incentive Plan or applicable award agreement), (i) unvested options continue to vest on the normal schedule, and vested options remain outstanding until the 90th day following the termination date (or for options vesting after the termination date, the 90th day following the vesting date), or if earlier, the option's expiration date, (ii) unvested time-based restricted stock units continue to vest on the normal schedule, and (iii) unvested performance-based restricted stock units vest on the normal vesting date in a pro rata amount of the units that would have been earned and vested based on the actual achievement of the performance goals as if employment had not terminated (with the amount prorated based on the portion of the performance period that lapsed prior to the termination date).

For Cause

In the event of a named executive officer's termination of employment for cause (as defined in the applicable award agreement), all vested and unvested options, and all unvested time-based restricted stock units, restricted stock, and performance-based restricted stock units are immediately forfeited and canceled, effective as of the termination date.

Qualifying Permanent Retirement

If a named executive officer's employment is terminated by reason of a qualifying permanent retirement on or after March 31 of the first fiscal year of a performance period, unvested performance-based restricted stock units will continue to vest on the vesting date based on actual achievement of the performance goals as if employment had not terminated. In the event of a retirement occurring prior to March 31 of the first fiscal year of the performance period, or if at any time if the retirement is not a qualifying permanent retirement, all unvested performance-based restricted stock units will be immediately forfeited.

Any Other Termination

In the event of a named executive officer's termination of employment for any reason other than death, disability, a Company approved departure, a qualifying permanent retirement after the first fiscal year of a performance period (in the case of the performance-based restricted stock units), or cause, unvested options are immediately forfeited and canceled, and vested options remain outstanding until the 90th day following the termination date, or if earlier, the option's expiration date, and unvested time-based restricted stock units and performance-based restricted stock units are immediately forfeited, in each case unless otherwise determined by our Compensation, Culture and People Committee.

Non-Competition Agreements

The named executive officers are party to agreements that include non-competition, non-solicitation, and non-recruitment covenants, which generally cover the period during which the executive is employed with us and for one year following termination of employment, along with perpetual confidentiality covenants. If the named executive officer breaches these agreements or otherwise engages in competitive activity as defined in the Equity Incentive Plan, the Company has the discretion to suspend vesting of all or a portion of any award and/or require the forfeiture or disgorgement to us of any equity award (including gains on the sale of the stock, if any) that vested, or was paid or settled, in the 12 months prior to, or any time after, such breach or the date the individual otherwise engaged in such competitive activity.

Change in Control Protections

We do not have change in control agreements with any of our employees.

Equity Awards

With respect to equity awards granted to our named executive officers under the Equity Incentive Plan in fiscal year 2023 and fiscal year 2024, pursuant to the terms of the applicable award agreements as approved by our Compensation, Culture and People Committee, in the event of a change in control:

- all time-based options and time-based restricted stock units shall remain outstanding and vest on the applicable vesting date, subject to the continued employment or service of the participant with the Company or any subsidiary thereof through such vesting date. However, if the participant's employment or service is terminated by the Company without "cause" or for "good reason" (in each case, as defined in the applicable award agreement) within two years following the effective date of the change in control transaction (each, a "Qualifying Termination"), such outstanding options and restricted stock units will vest as of the date of such termination; and
- unvested performance-based restricted stock units will remain outstanding at target levels and will vest on the original vesting date, subject to the continued employment or service of the participant by the Company or any subsidiary thereof through such vesting date, but without regard to achievement of any performance goals; however, if the participant's employment or service is terminated in a Qualifying Termination within two years following the effective date of the change in control, such outstanding restricted stock units will vest as of the date of such termination.

With respect to any outstanding time-based options granted to our named executive officers under the Equity Incentive Plan prior to May 2022: any such time-based options will vest upon the change in control as provided by the Equity Incentive Plan.

The 2023 Plan was approved by our stockholders in July 2023 and will govern equity awards made to our named executive officers after its effective date. For a description of the change in control protections under the 2023 Plan, see "Compensation Discussion and Analysis—Certain Change in Control Provisions—Equity Awards."

Retirement Benefits

If, during the five-year period after a change in control, our executives' retiree medical plan is terminated or modified in a manner that is materially adverse to our executives, each of our executives, including our named executive officers, will be guaranteed their existing benefits under the plan through the fifth anniversary of the change in control and receive at the end of the five-year period a cash payment equal to the excess of the actuarial cost of the executive's benefits under the plan that would be accrued on the Company's financial statements on the fifth anniversary of the change in control in the absence of the termination or modification over the amount that is accrued on our financial statements on the fifth anniversary of the change in control giving effect to the termination or modification (but excluding the accrual on the payment itself).

The following table presents potential payments to each named executive officer as if the named executive officer's employment had been terminated or a change in control had occurred as of the last day of fiscal year 2024. If applicable, amounts in the table were calculated using \$148.44, the closing fair market value of our common stock on the last trading day of the fiscal year, March 28, 2024. The actual amounts that would be paid to any named executive officer can only be determined at the time of an actual termination of employment or change in control and would vary from those listed below.

- (1) Each named executive officer is eligible for transition pay under our Transition Policy upon an involuntary termination equal to three months of base pay, plus one additional month for each year of service as an executive, up to a maximum of nine months' base pay.
- (2) This amount for the named executive officer reflects the value of certain time-based options granted prior to May 2022 that fully vest upon a change in control, calculated using \$148.44, the closing fair market value of our common stock on the last trading day of the fiscal year, March 28, 2024. The accelerated vesting of these time-based options upon a change in control is described in more detail above under the heading "Change in Control Protections."
- (3) This amount for each named executive officer reflects the value of the equity awards that fully vest upon a Qualifying Termination (as defined below), on the date of a change in control or upon a named executive officer's death, calculated using \$148.44, the closing fair market value of our common stock on the last trading day of the fiscal year, March 28, 2024. With respect to the performance-based restricted stock units, time-based restricted stock units and time-based options granted on or after May 2022, these amounts assume that the named executive officer's employment was terminated by the Company without "cause" or for "good reason" (in each case, as defined in the applicable award agreement) (each, a "Qualifying Termination") on the date of the change in control, in which case all such unvested equity awards will vest in full on the date of the termination. The accelerated vesting of these awards upon a Qualifying Termination is described in more detail above under the heading "Change in Control Protections." In the event of a named executive officer's death, all outstanding time-based options and time-based restricted stock units immediately vest and all outstanding performance-based restricted stock units immediately vest at target levels.
- (4) This column represents the benefits under the Officers' Retirement Plan, as described above under the heading "Retirement Benefits." The amounts have been calculated using the methodology and assumptions described in footnote 2 to the Pension Benefits Table above.
- (5) Each named executive officer has a \$2 million life insurance policy. If the death was accidental, an additional \$1.5 million would be paid. Decedents' survivors also receive one month's base pay.
- (6) This amount for each named executive officer includes the present value of disability insurance payments that cover up to 60% of base salary and bonus with a maximum benefit of \$25,000 per month (\$300,000 per year). This amount was calculated by valuing the benefit as a standard annuity benefit based on the incidence of disability, using assumptions consistent with FASB ASC 715-30 and 715-60 accounting for our other benefit programs and, for the assumption of a rate of disability, the 1977 Social Security Disability Index table.
- (7) This amount for each named executive officer includes the actuarial present value of retiree medical benefits. The present value of accumulated benefits has been calculated in a manner consistent with our reporting of the Retired Officers' Welfare Plan under FASB ASC 715-60, using the Accumulated Post-Retirement Benefit Obligation, with an adjustment made to retirement age assumptions as required by SEC regulations.
- (8) This amount for each named executive officer reflects \$30,000 in outplacement assistance and three months' COBRA premiums based on healthcare eligible plan enrollments as of fiscal year end.
- (9) This amount for each named executive officer represents the actuarial present value of retiree medical benefits which were calculated as described in footnote 7 above. This amount also includes the remaining book value of Ms. Laben's office furniture.
- (10) This amount for each named executive officer reflects the present value of the guaranteed benefits and cash payment of the actuarial cost of the executive's benefits under the executives' retiree medical plan, assuming that the plan was terminated during the five years following a change in control.
- (11) If the named executive officer's employment is terminated on or after March 31, 2024 by reason of a "qualifying permanent retirement" (as defined in the applicable award agreement), outstanding unvested performance-based restricted stock units will be eligible to continue to vest on the vesting date, subject to and based on actual achievement of the performance goals. The estimated value of the continued vesting would be \$46,134,855, \$4,704,657, \$7,162,675, \$7,738,919, and \$6,601,721 for Mr. Rozanski, Mr. Calderone, Ms. Anderson, Ms. Dotson, and Ms. Laben, respectively, calculated based on the closing fair market value of our common stock on last trading day of the fiscal year, March 28, 2024, and assuming achievement of maximum performance levels. Upon retirement that at any time is not considered a "qualifying permanent retirement," the outstanding unvested performance-based restricted stock units will be forfeited.

Pay Ratio

In accordance with Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K ("Item 402(u)"), we are providing the following estimated information for fiscal year 2024:

- the annual total compensation of the median employee (excluding our CEO) was approximately \$137,043, which we calculated using the same methodology we used to determine the annual total compensation of our named executive officers for fiscal year 2024 (as set forth in the Summary Compensation Table), and included base salary, any employee bonuses and awards, the Company 401(k) plan match, and the Company-paid portion of the medical and dental benefits;
- the annual total compensation of our CEO, as reported in the Summary Compensation Table, was \$15,593,758; and
- the ratio of the annual total compensation of our CEO to the median of the annual total compensation of all our other employees (the "Pay Ratio") was approximately 113 to 1.

The Pay Ratio is a reasonable estimate calculated in a manner consistent with Item 402(u). Additionally, the rules for identifying the "median employee" and calculating the Pay Ratio allow companies to apply various methodologies and assumptions. As a result, the compensation for our median employee and the Pay Ratio reported by us should not be used as a comparison to the information reported by other companies.

Methodology for Identifying Our "Median Employee"

We determined that as of March 31, 2024 our total employee population consisted of approximately 34,766 individuals, including our CEO, and both full-time and part-time employees, of which approximately 33,664 were aligned to offices in the United States or U.S. jurisdictions, and 1,102 to offices in non-U.S. jurisdictions. As the population of employees located in non-U.S. jurisdictions accounts for less than 5% of our total workforce, we were able to rely on the *de minimis* exception permitted under Item 402(u) and exclude the non-U.S. population from our "median employee" calculation, which included employees located in Australia (3), Belgium (7), Djibouti (3), Georgia (1), Germany (524), Guatemala (1), Honduras (1), Italy (28), Japan (123), Republic of Korea (64), Kosovo (2), Lithuania (1), Netherlands (16), Pakistan (38), Romania (1), Kingdom of Saudi Arabia (3), Serbia (1), Singapore (6), Spain (1), and the United Kingdom (278). After excluding the non-U.S. population, our CEO, and employees on unpaid leave of absence for the full fiscal year 2024, the resulting adjusted employee population to be used for identifying our "median employee" was 33,587.

We compared the annual salary of our adjusted employee population as reflected in our human resources system of record. This measure was consistently applied to all individuals in the adjusted employee population. This analysis yielded our median salary which identified a single individual, for whom we performed a detailed analysis of the annual total compensation, as discussed below.

Annual Total Compensation Determination

We calculated annual total compensation using the same methodology we used for purposes of determining the annual total compensation of our named executive officers for fiscal year 2024 (as set forth in the Summary Compensation Table). Specifically, in addition to the actual salary paid for fiscal year 2024, the calculation of total compensation for our "median employee" included Company-paid portions of health and wellness benefits and qualified retirement plan contributions.

Pay Versus Performance

This Pay Versus Performance (or "PvP") section, along with corresponding tables, has been written in compliance with Item 402(v) of Regulation S-K under the Exchange Act. Compensation Actually Paid (or "CAP") to our named executive officers in each of fiscal years 2021 through 2024 has been calculated in accordance with such PvP rules and is compared below with specific performance measures as required by the rules.

Performance Measures

In accordance with the PvP rules, the most important performance measures we use to link CAP to our named executive officers for fiscal year 2024 to our performance are listed in the table below. These metrics are not in rank order. Under the "Annual Cash Incentive" and "Long-term Equity Incentives" titles in the "Compensation Discussion and Analysis" section of this proxy statement, each of these performance measures is described in depth.

Metric	Metric Type
Adjusted EBITDA	Financial Measure
Revenue	Financial Measure
Capital Deployment for M&A	Strategic Measure
Diversity, Equity & Inclusion (DEI)	Strategic Measure

Pay Versus Performance Table

The CAP figures in the table below do not represent the compensation that the CEO or the NEOs actually earned, realized or received due to the change in fair value of the equity awards over time. As a result, when designing or deciding on the compensation for our NEOs, the Compensation, Culture and People Committee did not take the data in the table into account. Our "Compensation Discussion and Analysis" includes a thorough explanation of the Company's executive pay program and the guiding principles and methodology of the Committee (beginning on page 30).

		Lloyd W. Howell, Jr.	

- (2) Amounts shown for "Summary Compensation Table" total for each applicable fiscal year (i) for the PEO, are the amounts of total compensation as reported in the Summary Compensation Table for the PEO, and (ii) for the Non-PEO NEOs, are the average of the amounts of total compensation as reported in the Summary Compensation Table for such Non-PEO NEOs.
- (3) Amounts shown for CAP are computed in accordance with Item 402(v) of Regulation S-K under the Exchange Act and do not reflect the actual amount of compensation earned by or paid to the NEOs during the applicable year. These amounts reflect total compensation for the PEO and average total compensation for Non-PEO NEOs as reported in the Summary Compensation Table, with certain adjustments as required by Item 402(v) of Regulation S-K and described in footnote (5) below.
- (4) For the portion of CAP that is based on year-end stock prices, \$148.44 was used for fiscal year 2024, \$92.69 was used for fiscal year 2023, \$87.84 was used for fiscal year 2022, and \$80.53 was used for fiscal year 2021.
- (5) CAP reflects the exclusions and inclusions of certain amounts from Summary Compensation Table total compensation for the PEO and the Non-PEO NEOs as set forth below under the heading "Summary Compensation Table Total and Compensation Actually Paid Reconciliation for the PEO and Non-PEO NEOs." Equity values are calculated in accordance with FASB ASC Topic 718, Compensation — Stock Compensation. The valuation methodologies and assumptions used to calculate the equity values included in CAP are based on our grant date fair value of the equity awards as disclosed in the Company's consolidated audited financial statements filed with the SEC on Form 10-K for the applicable fiscal year, with the adjustments set forth below in the "Summary Compensation Table Total and Compensation Actually Paid Reconciliation for the PEO and Non-PEO NEOs" table.
- (6) Total stockholder return ("TSR") shown in the table above utilizes the S&P Software & Services Select Index which we use in the stock performance graph required by Item 201(e) of Regulation S-K included in the Company's consolidated audited financial statements filed with the SEC on Form 10-K for fiscal years 2021, 2022, 2023 and 2024. The comparison of TSR assumes that \$100 was invested for the period starting April 1, 2020 through March 31 of the applicable fiscal year in each of the Company's Common Stock and the S&P Software & Services Select Index. All dollar values assume reinvestment of the pre-tax value of dividends paid by companies included in the S&P Software & Services Select Index. The historical stock price performance of our Common Stock shown is not necessarily indicative of future stock price performance.
- (7) Amounts shown represent the amount of net income reflected in the Company's audited financial statements filed with the SEC on Form 10-K for the applicable fiscal year.
- (8) Pursuant to Item 402(v) of Regulation S-K, we determined annual Adjusted EBITDA to be our most important financial performance measure used to link Company performance to CAP to our PEO and other Non-PEO NEOs in fiscal year 2024. See Appendix A to this proxy statement for a reconciliation of Adjusted EBITDA to the most directly comparable financial measure calculated and presented in accordance with GAAP. Annually, we review our established performance financial metrics to ensure they maximize stockholder value. As such, we may determine a different financial performance measure in future years.
- (9) Values shown for 2023 have been adjusted to reflect actual performance restricted stock units certified after the completion of the prior year's disclosure for both the PEO and Non-PEO NEOs.

Summary Compensation Table Total and Compensation Actually Paid Reconciliation for the PEO and Non-PEO NEOs

The following table sets forth the adjustments that were made to Summary Compensation Table ("SCT") total compensation to calculate CAP to our PEO and the average CAP to our Non-PEO NEOs for each of the years in the PvP table above. Although the table below includes SCT compensation and CAP totals, the values are not comparable. The SCT values include base salary, short term annual cash incentive, and long-term equity incentives, and all other compensation received by the PEO and Non-PEO NEOs during the applicable fiscal year. The long-term equity incentive values for each year in the SCT are calculated by using the fair value of the grant at the time the grant was made. CAP values include a revaluation of the grants made during fiscal year 2024 at fiscal year-end, plus the fiscal year-over-year change in the fair value of multiple fiscal years of historical equity grants. CAP may be higher or lower than the SCT compensation values because CAP includes multiple fiscal years of grants and the calculation of CAP each year is heavily impacted by the change in the Company's stock price. The actual value of an equity award realized by the PEO or a Non-PEO NEO depends on several factors measured over multiple fiscal years to include but not limited to the Company's stock price, the financial performance of the Company, the relative TSR performance of the Company as compared to a peer group, and timing of stock option exercises.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of six directors identified below, each of whom is an independent director as defined by the applicable SEC rules and the NYSE listing standards. Four committee members, Mark E. Gaumont, Joan Amble, Ellen Jewett, and Charles O. Rossotti, have been designated by the Board as “audit committee financial experts” under applicable SEC rules. For further description of each committee member’s background and expertise, please refer to the director qualification section of our proxy statement beginning on page 8.

The Audit Committee is responsible for assisting the Board in fulfilling its oversight responsibilities relating to, among other things, the Company’s accounting, auditing, and financial reporting processes, internal controls, compliance with legal and regulatory requirements and its code of ethics, and risk management, as discussed more fully in the Audit Committee charter, a copy of which is available on our website, www.boozallen.com. In accordance with its charter, the Audit Committee appoints the Company’s independent registered public accounting firm, E&Y, subject to stockholder ratification, and conducts an annual review of its performance. In addition, the Audit Committee pre-approves all audit and permissible non-audit services provided by E&Y, and the fees for those services. The Audit Committee also oversees the Company’s internal audit function, including its annual audit plan, budget, and staffing. As part of its oversight role, the Audit Committee meets throughout the year, separately and together, with each of management, the Company’s internal auditors, and E&Y.

Management has the primary responsibility for the Company’s financial statements and accounting and reporting processes, including the systems of internal accounting control. E&Y is responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (“PCAOB”), and rendering opinions on whether the financial statements are in conformity with accounting principles generally accepted in the United States and the effectiveness of the Company’s internal control over financial reporting.

The Audit Committee has reviewed and discussed with management of the Company and E&Y, the audited consolidated financial statements of the Company for the fiscal year ended March 31, 2024 (the “Audited Financial Statements”), and their assessment of the effectiveness of internal control over financial reporting. The Audit Committee also reviewed any significant audit findings identified by E&Y, and those identified by the Company’s internal auditors as well as management’s responses thereto. In addition, the Audit Committee discussed with E&Y the matters required to be discussed by the applicable requirements of the PCAOB and the SEC.

The Audit Committee has also: (i) considered whether non-audit services provided by E&Y are compatible with its independence; (ii) received the written disclosures and the letter from E&Y required by the applicable requirements of the PCAOB regarding E&Y’s communications with the Audit Committee concerning independence; and (iii) discussed with E&Y its independence.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board that the Audited Financial Statements be included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2024 for filing with the SEC.

PRE-APPROVAL OF SERVICES BY INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee pre-approves all audit, audit-related, tax, and other services performed by our independent auditors. The Audit Committee pre-approves specific categories of services up to pre-established fee thresholds. Unless the type of service had previously been pre-approved, the Audit Committee must approve that specific service before the independent auditors may perform it. In addition, separate approval is required if the amount of fees for any pre-approved category of service exceeds the fee thresholds established by the Audit Committee. The Audit Committee has delegated to the chair of the committee pre-approval authority with respect to permitted services, provided that the chair must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. All fees described below were pre-approved by the Audit Committee.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES

The following table presents the Company's fees for services performed by its principal accounting firm, E&Y, during fiscal years 2024 and 2023.

(Amounts in thousands)	2024	2023
Audit fees ⁽¹⁾	\$ 4,070	\$ 4,279
Audit-related fees	32	31
Tax fees ⁽²⁾	49	255
All other fees ⁽³⁾	10	10
Total	\$ 4,161	\$ 4,575

- (1) Audit fees principally include those for services related to the audit and quarterly reviews of the Company's consolidated financial statements and consultation on accounting matters.
- (2) Tax fees principally include domestic and foreign tax compliance and advisory services.
- (3) All other fees consists of fees not reported under the categories above and primarily includes fees for accounting research software.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

The Audit Committee has appointed E&Y as the independent auditors to perform an integrated audit of the Company for the fiscal year ending March 31, 2025. E&Y served as our independent auditors for the fiscal year ended March 31, 2024. Stockholder approval of the appointment is not required.

The Board believes that obtaining stockholder ratification of the appointment is a sound corporate governance practice. If the stockholders do not vote on an advisory basis in favor of E&Y, the Audit Committee will reconsider whether to hire the firm and may retain E&Y or hire another firm without resubmitting the matter for stockholders to approve. The Audit Committee retains the discretion at any time to appoint a different independent auditor.

Representatives of E&Y are expected to be present at the Annual Meeting, available to respond to appropriate questions, and will have the opportunity to make a statement if they desire.

The Board of Directors recommends a vote FOR ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the Company for fiscal year 2025.

PROPOSAL 3: ADVISORY VOTE ON COMPANY'S EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, the Company is providing stockholders with a non-binding advisory vote on the compensation of our named executive officers, as disclosed in the CD&A, the accompanying compensation tables, and the related narrative disclosure in this proxy statement. Although this vote is advisory, the Board and the Compensation, Culture and People Committee value the opinions of our stockholders and will review and consider the voting results when making future compensation decisions for our named executive officers.

As described in detail in the CD&A, our compensation programs are designed to attract, motivate, and retain executives of outstanding ability to meet and exceed the demands of our clients, focus management on optimizing stockholder value and fostering an ownership culture, create appropriate rewards for outstanding performance and penalties for underperformance, and provide competitive rewards that foster collaboration by rewarding executives for their contribution to our overall performance and financial success while determining and allocating incentives based on our performance as a whole in recognition of the spirit and culture of collaboration that has defined us throughout our history. Accordingly, the Board submits the following resolution for a stockholder vote at the 2024 Annual Meeting of Stockholders:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the CD&A, the accompanying compensation tables, and the related narrative disclosure in the Company's proxy statement for the 2024 Annual Meeting of Stockholders.

The Board of Directors recommends a vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis of this proxy statement.

OTHER BUSINESS

The Board is not aware of any other matters to be presented at the Annual Meeting. If any other matter proper for action at the meeting should be presented, the holders of the accompanying proxy will vote the shares represented by the proxy on such matter in accordance with their best judgment. If any matter not proper for action at the meeting should be presented, the holders of the proxy will vote against consideration of the matter or the proposed action.

By order of the Board of Directors,

Jacob D. Bernstein
Secretary

IMPORTANT INFORMATION ABOUT ANNUAL MEETING AND PROXY PROCEDURES

The Board is soliciting proxies to be used at the Annual Meeting of Stockholders to be held virtually on July 24, 2024, beginning at 8:00 a.m. (EDT) at www.virtualshareholdermeeting.com/BAH2024.

Why am I receiving these proxy materials?

You have received these proxy materials because our Board is soliciting your proxy to vote your shares at the Annual Meeting. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this proxy statement. This proxy statement includes information that we are required to provide to you under SEC rules, and describes issues on which we would like you to vote at our Annual Meeting. It also gives you information on these issues so that you can make an informed decision. The proxy materials include our proxy statement for the Annual Meeting, our annual report to stockholders, which includes our Annual Report on Form 10-K for the year ended March 31, 2024 and the proxy card, or a voting instruction card, for the Annual Meeting.

Our Board has made this proxy statement and proxy card available to you on the Internet because you own shares of Class A common stock of the Company.

If you submit a proxy by using the Internet, by calling, or by signing and returning the proxy card, you will appoint Horacio D. Rozanski, President and Chief Executive Officer, and Nancy J. Laben, Executive Vice President and Chief Legal Officer, (with full power of substitution) as your representatives at the Annual Meeting. He or she will vote your shares at the Annual Meeting as you have instructed them or, if an issue that is not on the proxy card comes up for vote, in accordance with his or her best judgment. By submitting a proxy, you can ensure your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, we encourage you to submit a proxy in advance by using the Internet, by calling, or by signing and returning your proxy card. If you vote by Internet or by calling, you do not need to return your proxy card.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to the "Notice and Access" rules adopted by the SEC, we have elected to provide access to our proxy materials over the Internet at www.proxyvote.com. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials, or request to receive an electronic copy or printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request an electronic copy or printed copy may be found in the Notice of Internet Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis by submitting a request in writing to our Secretary at Booz Allen Hamilton, 8283 Greensboro Drive, McLean, Virginia 22102. We encourage stockholders to take advantage of the availability of proxy materials on the Internet to help reduce the environmental impact and cost of the Annual Meeting.

How can I sign up for the electronic proxy delivery service?

You can elect to receive an email that provides a link to our future proxy materials on the Internet. The proxy card or the instructions that accompanied your proxy materials will contain instructions on how to request electronic delivery of future proxy materials. Choosing to receive your future proxy materials by email will eliminate the cost of printing and mailing documents and will reduce the associated environmental impact. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

How do I attend and participate in the virtual Annual Meeting?

You will be able to virtually attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/BAH2024. Although it will be a virtual-only meeting, the Company wants to assure its stockholders of its commitment to ensuring that the Annual Meeting provides its stockholders with the same rights and opportunities to participate as in an in-person meeting, including the ability to ask questions of the Board and management.

To participate in the Annual Meeting, you will need the control number located on your proxy card or the instructions that accompanied your proxy materials. The Annual Meeting will begin promptly at 8:00 a.m. Eastern Time on July 24, 2024. We encourage you to access the virtual meeting website prior to the start time. Online check-in will begin at 7:45 a.m. Eastern Time, and you should allow ample time to ensure your ability to access the meeting.

You may submit a question during the meeting by visiting www.virtualshareholdermeeting.com/BAH2024 and following the instructions on the website. The Company will post responses to questions relevant to meeting matters that are not answered during the Annual Meeting due to time constraints on the Company's Investor Relations portion of its website, www.boozallen.com, as soon as practicable after the Annual Meeting. The Chair of the meeting has broad authority to conduct the Annual Meeting in an orderly manner, including establishing rules of conduct. A copy of the rules of conduct will be available online at the Annual Meeting.

In addition, the Company will have technicians ready beginning fifteen minutes prior to the meeting to assist participating stockholders with any technical difficulties they may have accessing the virtual meeting. If participating stockholders encounter any difficulties accessing the virtual meeting during check-in or the meeting, they may call the technical support number that will be posted on the virtual meeting platform log-in page.

Who is entitled to vote at the Annual Meeting?

Holders of the Company's Class A common stock are entitled to vote at the Annual Meeting. The Board has established the record date for the Annual Meeting as June 3, 2024. Only holders of record of the Company's Class A common stock on the record date are entitled to receive notice of the meeting and to vote at the meeting. Dissenters' rights are not applicable to any of the matters being voted upon at the Annual Meeting.

How many shares must be present to hold the Annual Meeting?

In order for us to lawfully conduct business at the Annual Meeting, the holders of stock representing a majority of the voting power of all shares issued and outstanding and entitled to vote at the meeting must be present in person at the Annual Meeting or represented by proxy. This is referred to as a quorum. Stockholders who attend the Annual Meeting online at www.virtualshareholdermeeting.com/BAH2024 will be deemed to be in person attendees for purposes of determining if a quorum has been met. If a quorum is present, we can hold the Annual Meeting and conduct business.

How many shares may I vote?

On June 3, 2024, 129,452,336 shares of our Class A common stock were outstanding. Each share of Class A common stock is entitled to one vote, and stockholders do not have the right to cumulate their votes for the election of directors.

What am I voting on and what are the Board's recommendations?

Proposal	Description	Board's Voting Recommendation	Page Reference
No. 1	Election of eleven director nominees	FOR each nominee	8
No. 2	Ratification of appointment of E&Y as the Company's independent registered accounting firm for fiscal year 2025	FOR	64
No. 3	A non-binding advisory vote on the compensation program for the Company's named executive officers, as disclosed in the CD&A of the proxy statement	FOR	65

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Computershare, you are considered a "stockholder of record" with respect to those shares. In this case, we are sending the Notice of Internet Availability of Proxy Materials to you directly.

If your shares are held in a brokerage account or bank, you are considered the "beneficial owner" of those shares, which are held in "street name." In this case, the Notice of Internet Availability of Proxy Materials will be forwarded to you by your broker or bank. As the beneficial owner, you have the right to direct your broker or bank how to vote your shares by following the voting instructions noted below.

What is the procedure for voting?

If you are a stockholder of record of Class A common stock, you can vote your shares at the Annual Meeting by attending the virtual meeting using the control number located on your proxy card, or the instructions that accompanied your proxy materials and submitting an electronic ballot, or you can give a proxy to be voted at the Annual Meeting in one of three ways: (1) over the telephone by calling a toll-free number provided on the enclosed proxy card, (2) electronically via the Internet as described in the enclosed proxy card, or (3) date, sign, and complete the proxy card and return it in the enclosed envelope, which requires no postage stamp if mailed in the United States.

If you are a beneficial owner of Class A common stock, you must obtain a proxy, executed in your favor, from the stockholder of record to be able to vote virtually at the Annual Meeting. You can vote your shares at the Annual Meeting by attending the virtual meeting using the control number located on your proxy card, or the instructions that accompanied your proxy materials and submitting an electronic ballot, or you can give a proxy to be voted at the Annual Meeting in one of three ways: (1) over the telephone by calling a toll-free number provided on the enclosed proxy card, (2) electronically via the Internet as described in the enclosed proxy card, or (3) date, sign, and complete the proxy card and return it in the enclosed envelope, which requires no postage stamp if mailed in the United States.

Can I change my proxy?

You may revoke your proxy before it is voted at the Annual Meeting by delivering a signed revocation letter to the Secretary of the Company at 8283 Greensboro Drive, McLean, Virginia 22102, or by submitting a new proxy, dated later than your first proxy, in one of the ways described in the answer to the previous question. If you are virtually attending the Annual Meeting, you may revoke your proxy by virtually attending the Annual Meeting and voting during the Annual Meeting. Virtual attendance at the Annual Meeting will not by itself revoke a proxy.

Can other matters be decided at the Annual Meeting?

The Board is not aware of any other matters to be presented at the Annual Meeting. If any other matter proper for action at the meeting should be presented, the holders of the accompanying proxy will vote the shares represented by the proxy on such matter in accordance with their best judgment. If any matter not proper for action at the meeting should be presented, the holders of the proxy will vote against consideration of the matter or the proposed action.

What is the vote required for each proposal?

For proposal 1, each of the directors shall be elected by a majority of the votes validly cast at the Annual Meeting. For proposals 2, and 3, approval of the proposal requires the affirmative vote of a majority of the shares entitled to vote at the Annual Meeting on the subject matter in question represented either in person or by proxy at the Annual Meeting.

What if I am a stockholder of record and do not provide voting instructions when returning a proxy?

Stockholders should specify their choice for each matter on the proxy card. Proxies that are signed and returned but do not contain voting instructions will be voted:

- FOR the election of all director nominees as set forth in this proxy statement;
- FOR the ratification of the appointment of E&Y as the Company's independent registered accounting firm for fiscal year 2025; and
- FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers.

What if I am a beneficial owner and do not give voting instructions to my broker?

If your shares are held by a broker in "street name," your brokerage firm may vote your shares on certain "routine" matters if you do not provide voting instructions. The ratification of an independent registered public accounting firm is an example of a routine matter. If you do not provide voting instructions, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. When a brokerage firm votes its customers' shares on a routine matter without receiving voting instructions, these shares are counted both for establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against the routine matter. A brokerage firm cannot vote your shares on non-routine matters, such as the election of directors and the advisory vote on executive compensation. If your brokerage firm has not received voting instructions on a non-routine matter, these shares will be considered "broker non-votes" to the extent that the brokerage firm submits a proxy.

How are abstentions and broker non-votes counted?

Abstentions will be treated as present for purposes of determining a quorum but will not be included in vote totals. Abstentions will have the effect of a vote "against" each of the proposals, other than for the election of directors, whereby abstentions will not affect the outcome.

Broker non-votes are counted for purposes of establishing a quorum. Broker non-votes will have no effect on the outcome of the proposals for the election of directors and the advisory vote on the compensation program for the Company's named executive officers. Discretionary voting by a broker will be permitted for the proposal for the ratification of an independent registered public accounting firm, which is the only routine proposal.

Who will count the votes?

A representative from Broadridge Financial Services will tabulate the votes and the results will be certified by the inspector of election.

Who will bear the costs of soliciting votes for the Annual Meeting?

The Company will bear all costs of soliciting proxies. Pursuant to rules adopted by the SEC, we have elected to deliver a Notice of Internet Availability of Proxy Materials to you and make the proxy materials available via the Internet at www.proxyvote.com, which may be accessed using the control number located on each proxy card. We have retained the services of Morrow Sodali LLC to assist in the solicitation of proxies for the Annual Meeting. The estimated cost of such services is \$15,000, plus reasonable out-of-pocket expenses incurred in the process of soliciting proxies.

When will the Company announce the voting results?

The preliminary voting results will be announced at the Annual Meeting. The Company will report the final results in a Current Report on Form 8-K filed with the SEC.

Can I receive a copy of the Annual Report?

The annual report of the Company on Form 10-K for the fiscal year ended March 31, 2024 is being furnished concurrently with this proxy statement to persons who were stockholders of record as of June 3, 2024, the record date for the Annual Meeting.

What is “householding” and how does it affect me?

In some cases, stockholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions are receiving only one copy of our annual report on Form 10-K and this proxy statement. This reduces the volume of duplicate information received at your household and helps to reduce the environmental impact and cost of our Annual Meeting. If you would like to have additional copies of these documents mailed to you, please write or call our Secretary at 8283 Greensboro Drive, McLean, Virginia 22102, telephone: (703) 902-5000. If you want to receive separate copies of the proxy statement, annual report on Form 10-K, or Notice of Internet Availability of Proxy Materials, as applicable, in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder.

How do I submit a proposal for action at the annual of meeting of stockholders in 2024?

Under applicable SEC rules and regulations (including SEC Rule 14a-8), the Company will review for inclusion in next year’s proxy statement stockholder proposals received by February 13, 2025. Proposals should be sent to the Secretary of the Company at 8283 Greensboro Drive, McLean, Virginia 22102.

Pursuant to our Amended and Restated Bylaws, stockholder proposals not included in next year’s proxy statement may be brought before the 2025 Annual Meeting of Stockholders by a stockholder of the Company who is entitled to vote at the meeting, who has given a written notice to the Secretary of the Company at 8283 Greensboro Drive, McLean, Virginia 22102 containing certain information specified in the bylaws and who was a stockholder of record at the time such notice was given and at the date of the 2025 Annual Meeting of Stockholders. Such notice must be delivered to or mailed and received at the address in the preceding paragraph no earlier than March 26, 2025 and no later than April 25, 2025, except that if the date of the 2025 Annual Meeting of Stockholders is changed, and the meeting is held before June 24, 2025 or after October 2, 2025, such notice must be delivered at the address in the preceding paragraph no earlier than 120 days prior to the new date of such annual meeting and not later than the close of business on the later of (i) the ninetieth day prior to the new date of such annual meeting and (ii) the tenth day following the day on which a public announcement of the new date of such annual meeting is first made.

Appendix A

Non-GAAP Measures

We publicly disclose certain non-GAAP financial measurements, including Revenue, Excluding Billable Expenses, Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, and Adjusted Diluted Earnings Per Share, or Adjusted Diluted EPS, because management uses these measures for business planning purposes, including to manage our business against internal projected results of operations and measure our performance. We view Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, and Adjusted Diluted EPS as measures of our core operating business, which exclude the impact of the items detailed below, as these items are generally not operational in nature. These non-GAAP measures also provide another basis for comparing period to period results by excluding potential differences caused by non-operational and unusual or non-recurring items. In addition, we use Revenue, Excluding Billable Expenses because it provides management useful information about the Company's operating performance by excluding the impact of costs that are not indicative of the level of productivity of our client staff headcount and our overall direct labor, which management believes provides useful information to our investors about our core operations. We also utilize and discuss Free Cash Flow because management uses this measure for business planning purposes, measuring the cash generating ability of the operating business, and measuring liquidity generally. We present these supplemental measures because we believe that these measures provide investors and securities analysts with important supplemental information with which to evaluate our performance, long-term earnings potential, or liquidity, as applicable, and to enable them to assess our performance on the same basis as management. These supplemental performance measurements may vary from and may not be comparable to similarly titled measures by other companies in our industry. Revenue, Excluding Billable Expenses, Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, Adjusted Diluted EPS, and Free Cash Flow are not recognized measurements under accounting principles generally accepted in the United States, or GAAP, and when analyzing our performance or liquidity, as applicable, investors should (i) evaluate each adjustment in our reconciliation of revenue to Revenue, Excluding Billable Expenses, net income to Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, and Adjusted Diluted EPS, and net cash provided by operating activities to Free Cash Flow, and the explanatory footnotes regarding those adjustments, each as defined under GAAP, (ii) use Revenue, Excluding Billable Expenses, Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, and Adjusted Diluted EPS in addition to, and not as an alternative to, revenue, net income, or diluted EPS, as measures of operating results, each as defined under GAAP, and (iii) use Free Cash Flow in addition to, and not as an alternative to, net cash provided by operating activities as a measure of liquidity, each as defined under GAAP. We have defined the aforementioned non-GAAP measures as follows:

- "Revenue, Excluding Billable Expenses" represents revenue less billable expenses. We use Revenue, Excluding Billable Expenses because it provides management useful information about the Company's operating performance by excluding the impact of costs that are not indicative of the level of productivity of our client staff headcount and our overall direct labor, which management believes provides useful information to our investors about our core operations.
- "Adjusted EBITDA" represents net income attributable to common stockholders before income taxes, net interest and other expense and depreciation and amortization and before certain other items, including the change in provision for claimed indirect costs, acquisition and divestiture costs, financing transaction costs, DC tax assessment adjustment, the reserve associated with the U.S. Department of Justice investigation disclosed in Note 20, "Commitments and Contingencies," to the consolidated financial statements, and restructuring costs. "Adjusted EBITDA Margin on Revenue" is calculated as Adjusted EBITDA divided by revenue. "Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses" is calculated as Adjusted EBITDA divided by Revenue, Excluding Billable Expenses. The Company prepares Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, and Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses to eliminate the impact of items it does not consider indicative of ongoing operating performance due to their inherent unusual, extraordinary or non-recurring nature or because they result from an event of a similar nature.
- "Adjusted Net Income" represents net income attributable to common stockholders before: (i) the change in provision for claimed indirect costs, (ii) acquisition and divestiture costs, (iii) financing transaction costs, (iv) significant acquisition amortization, (v) DC tax assessment adjustment, (vi) the reserve associated with the U.S. Department of Justice investigation disclosed in Note 20, "Commitments and Contingencies," to the consolidated financial statements in the Company's Annual Report on Form 10-K, (vii) restructuring costs, (viii) valuation adjustments to cost method investments, (iv) gains associated with equity method investment activity, (x) gains

associated with divestitures or deconsolidation, and (xi) amortization or write-off of debt issuance costs and debt discount, in each case net of the tax effect where appropriate calculated using an assumed effective tax rate. We prepare Adjusted Net Income to eliminate the impact of items, net of tax, we do not consider indicative of ongoing operating performance due to their inherent unusual, extraordinary, or non-recurring nature or because they result from an event of a similar nature. We view net income excluding the impact of the re-measurement of the Company's deferred tax assets and liabilities as an important indicator of performance consistent with the manner in which management measures and forecasts the Company's performance and the way in which management is incentivized to perform.

- “Adjusted Diluted EPS” represents diluted EPS calculated using Adjusted Net Income, as opposed to net income. Additionally, Adjusted Diluted EPS does not contemplate any adjustments to net income as required under the two-class method as disclosed in the footnotes to the consolidated financial statements.
- “Free Cash Flow” represents the net cash generated from operating activities less the impact of purchases of property, equipment, and software.

In addition, we use the following non-GAAP financial measures as performance metrics for our performance-based restricted stock units granted in fiscal year 2024, as described in our proxy statement under the heading, “Compensation Discussion and Analysis—Compensation Elements—Long-Term Equity Incentives—Fiscal Year 2024 Annual Grants”: Adjusted EBITDA and Revenue. Adjusted EBITDA is as defined above, and we define Revenue for purposes of our performance-based restricted stock units as follows:

- “Revenue” represents all consolidated GAAP revenue, adjusted to (i) account for material acquisitions or divestitures during the three-year performance period, but may be adjusted (ii) account for the cumulative impact of GAAP and/or cost accounting standards and financial reporting changes; (iii) account for the impact of government shutdowns during the performance period; and (iv) to exclude the impact of any unusual, infrequently occurring, or restructuring events as described in the Company's audited financial statements, notes to financial statements or in management's discussion and analysis in the Company's annual report for the applicable year that may have a material impact on Revenue results.

Below is a reconciliation of Revenue, Excluding Billable Expenses, Adjusted EBITDA, Adjusted EBITDA Margin on Revenue, Adjusted EBITDA Margin on Revenue, Excluding Billable Expenses, Adjusted Net Income, Adjusted Diluted EPS, and Free Cash Flow to the most directly comparable financial measure calculated and presented in accordance with GAAP.

* Revenue, Excluding Billable Expenses includes \$18.3 million of revenue resulting from the reduction to our provision for claimed indirect costs (see note b below), and \$20.1 million of revenue resulting from the impact of the Company's unfavorable ruling from the District of Columbia Court of Appeals (see note e below).

- (a) Reflects the combination of Interest expense and Other income, net from the consolidated statement of operations.
- (b) Represents the reduction to our provision for claimed indirect costs recorded during the second quarter of fiscal 2024, which resulted in a corresponding increase to revenue, as a result of the Defense Contract Audit Agency's findings related to its audit of our claimed indirect costs for

fiscal 2022. See Note 20, "Commitments and Contingencies," to the consolidated financial statements in the Company's Form 10-K for the fiscal year ended March 31, 2024 for further information.

- (c) Represents costs associated with the acquisition efforts of the Company related to transactions for which the Company has entered into a letter of intent to acquire a controlling financial interest in the target entity, as well as the divestiture costs incurred in divesting a portion of our business. Acquisition and divestiture costs primarily include costs associated with (i) buy-side and sell-side due diligence activities, (ii) compensation expenses associated with employee retention, and (iii) legal and advisory fees, primarily associated with the acquisitions of Liberty IT Solutions, LLC ("Liberty") and Tracepoint Holdings, LLC ("Tracepoint") in fiscal 2022, and the acquisition of EverWatch Corp. ("EverWatch") and the divestitures of our management consulting business serving the Middle East and North Africa ("MENA") and our Managed Threat Services business ("MTS") in fiscal 2023. See Note 5, "Acquisition and Divestitures," to the consolidated financial statements in the Company's Form 10-K for the fiscal year ended March 31, 2024 for further information.
- (d) Reflects expenses associated with debt financing activities incurred during the second quarters of fiscal 2024 and 2023.
- (e) Reflects the impact (specifically the revenue from recoverable expenses) of the Company's unfavorable ruling from the District of Columbia Court of Appeals related to contested tax assessments from the District of Columbia Office of Tax and Revenue ("DC OTR"). See Note 13, "Income Taxes," to the consolidated financial statements in the Company's Form 10-K for the fiscal year ended March 31, 2024 for further information.
- (f) Reserve associated with the U.S. Department of Justice's investigation of the Company. See Note 20, "Commitments and Contingencies," to the consolidated financial statements in the Company's Form 10-K for the fiscal year ended March 31, 2024 for further information.
- (g) Represents restructuring charges of \$8.3 million incurred during the fourth quarter of fiscal 2022, net of approximately \$4.2 million of revenue recognized on recoverable expenses, associated with severance costs of a restructuring plan to reduce certain executive administrative personnel costs.
- (h) Amortization expense associated with acquired intangibles from significant acquisitions. Significant acquisitions include acquisitions which the Company considers to be beyond the scope of our normal operations. Significant acquisition amortization includes amortization expense associated with the acquisition of Liberty in the second quarter of fiscal 2022 and EverWatch in the third quarter of fiscal 2023.
- (i) Represents non-recurring valuation adjustments to the Company's cost method investments, primarily the write-off of one of its investments.
- (j) Represents (i) a gain in the second quarter of fiscal 2022 associated with the Company's previously held equity method investment in Tracepoint and (ii) a gain in the third quarter of fiscal 2022 associated with the divestiture of a controlling financial interest in SnapAttack.
- (k) Represents the gain recognized on the divestitures of the Company's MENA business in the second quarter of fiscal 2023, its MTS business in the third quarter of fiscal 2023, and the gain on the deconsolidation of an artificial intelligence software platform business in the third quarter of fiscal 2023.
- (l) Reflects the tax effect of adjustments at an assumed effective tax rate of 26%, which approximates the blended federal and state tax rates, and consistently excludes the impact of other tax credits and incentive benefits realized. The tax effect of certain discrete items is calculated specifically and may vary from the general 26% rate. The tax effect also includes the indirect effects of uncertainty around the application of Section 174 of the Tax Cuts and Jobs Act of 2017 (\$22.0 million for fiscal 2024, and \$22.0 million for fiscal 2023), and the impact of the Company's unfavorable ruling from the District of Columbia Court of Appeals related to contested tax assessments from the DC OTR (\$42.7 million for the three and twelve months ended March 31, 2024, respectively). See Note 13, "Income Taxes," to the consolidated financial statements in the Company's Form 10-K for the fiscal year ended March 31, 2024 for further information.
- (m) Excludes adjustments of approximately \$5.0 million, \$2.1 million, and \$3.1 million of net earnings for fiscal 2024, 2023, and 2022, respectively, associated with the application of the two-class method for computing diluted earnings per share.
